

in the employment exchanges, but they are not always reliable, because it is not always that all unemployed persons go and register themselves there. So that is not exactly reliable data.

PROF. N. R. MALKANI: May I know whether Members of State Legislatures and of Parliament will be associated with these surveys so as to make them more impartial and reliable?

SHRI J. S. L. HATHI: So far as sample survey is concerned, they may not be associated, because it is more or less to be entrusted to the National Sample Survey, and the Indian Statistical Institute will be in charge of it. But later on, of course, they can be.

SHRI B. K. P. SINHA: May I know what definition the word "unemployment" has been given for the purpose of this survey?

AN HON. MEMBER: Only educated unemployed.

SHRI B. K. P. SINHA: Does "unemployment" include "under-employment" also?

SHRI J. S. L. HATHI: In the columns that have to be enumerated, that also has been mentioned, "What is the expected income" and "What is the actual income he gets" and that gives an idea of the under-employment.

SHRI RAJAGOPAL NAIDU: The hon. Minister stated that there is more unemployment in the urban than in the rural areas. May I know on what basis he has given that information, and whether any survey has been conducted in the rural areas?

SHRI J. S. L. HATHI: What I said was about the educated unemployed, that it was easy to conduct the survey in the urban areas.

# BIHAR SHELLAC ENQUIRY COMMITTEE REPORT

\*59. SHRI S. N. MAZUMDAR: Will the Minister for COMMERCE AND INDUSTRY be pleased to state:

(a) whether Government have received any interim report from the Bihar Shellac Enquiry Committee; and

(b) if so, what are its main findings?

THE MINISTER FOR COMMERCE (SHRI D. P. KARMARKAR): (a) and (b). The interim report of the Committee has not been received by the Government of India. Enquiries made from the Bihar Government show that in an interim report submitted to them, the Committee have recommended that the Forward Contracts (Regulation) Act should be enforced immediately and only specific delivery contracts should be permitted. The Act has been brought into force from 24th August 1953. The recommendation of the Committee will be considered by Government in consultation with the Forward Markets Commission which is being set up immediately under the Act.

SHRI S. N. MAZUMDAR: Are there any other recommendations in the interim report?

SHRI D. P. KARMARKAR: There are, I find, three terms of reference and so I expect there will be other recommendations also coming. But we have not received copies of the Committee's report.

SHRI S. N. MAZUMDAR: Have not the Government of India called for the copy of the interim report?

SHRI D. P. KARMARKAR: I should like to have notice.

SHRI S. N. MAZUMDAR: I only ask if the Government of India have not called for a copy of the report.

SHRI D. P. KARMARKAR: We have written to the Government of Bihar to give us information, but whether

we have specifically asked for the copy of the report, I have to find out, and so I require notice.

SHRI S. N. MAZUMDAR: When is the final report expected?

SHRI D. P. KARMARKAR: The final report or the interim report?

SHRI S. N. MAZUMDAR: The final report of this committee. So long we have discussed about the interim report.

SHRI D. P. KARMARKAR: I have no idea as to the probable date when the Committee will submit its report to the Government of Bihar.
