

**ENFORCEMENT OF MINIMUM WAGES ACT**

\*160. SHRI V. K. DHAGE (on behalf of Dr. R. B. Gour): Will the Minister for LABOUR be pleased to state:

(a) the industries to which the Minimum Wages Act has been applied, State-wise; and

(b) the industries to which the Act has not yet been applied and the reasons therefor?

THE DEPUTY MINISTER FOR LABOUR (SHRI ABID ALI): (a) and (b). The attention of the hon. Member is invited to the statement laid by me a few minutes back in reply to question No. 152. It will be observed therefrom that minimum wages have not been fixed in certain employments in Part 'B' States. This is because the Act was made applicable to them only with effect from the 1st April 1951. Further, as minimum wages could not be fixed after the 31st March 1952, in the case of some States the process of fixing minimum wages was not completed by the above date.

SHRI C. G. K. REDDY: Some of the industries which have been omitted have been only of Part B States, or is an industry like mining completely omitted all over the country?

SHRI ABID ALI: Sir, this Minimum Wages Act has been applied to some mines in some States.

SHRI B. B. SHARMA: May I know what would be the approximate price of the trip of this gentleman who has gone for synthetic rice, and the cost of the machinery that is purchased?

(No reply was given.)

SHRI V. K. DHAGE: Has there been a committee appointed in Hyderabad?

SHRI ABID ALI: Sir, no information is available here about it.

SHRI V. K. DHAGE: Sir, in the statement supplied to me it is stated that with regard to the employment in local mills and with regard to employment in road const-

building operations, public motor transport.....

SHRI ABID ALI: Sir, different methods were adopted in different States for implementation of the Act.
