(b) It has not been possible to make the required assessment within this short time.

STATEMENT

Western	14,429½

SHRI KISHEN CHAND: Is it a fact that due to the issue of these tickets there has been a lot of congestion in the third class compartments?

SHRI O. V. ALAGESAN: In some cases it is so.

SHRI KISHEN CHAND: Is it fair to the travelling public which pays full fares to be inconvenienced by the issue of these tickets?

SHRI O. V. ALAGESAN: It is rather a difficult question. We were asked to issue these concession tickets. This House itself was demanding the issue of these tickets and when they are issued, some congestion is inevitable. To relieve the congestion we are also adding more coaches.

SHRI KISHEN CHAND: The House demanded a reduction in fares. L

don't think the House demanded the issue of these tickets.

(No answer.)

SHRI S. M. HEMROM: May I know whether the rules and conditions for issuing these concession tickets are uniform for all the zones?

SHRI O. V. ALAGESAN: They are issued uniformly in all zones.

SHRI GOVINDA REDDY: Are they running additional trains in view of this congestion?

SHRI O. V. ALAGESAN: I am not aware of any additional trains being run for this reason.

SHRI H. P. SAKSENA: What is the concession allowed in the issue of these tickets? Is there any real reduction in rate or are they concession tickets in name only?

MR. CHAIRMAN: Is there any real concession?

SHRI O. V. ALAGESAN: There is a great deal of concession. These tickets are issued for Rs. 30 and they are available for 14 days over the entire zone of 5,000 to 6,000 miles.

PROF. G. RANGA: In view of the fact that thousands of people are coming from the South especially right upto Delhi by the Grand Trunk Express almost everyday, why is it that the Government have not thought of running one or two specials, at least one every day?

SHRI O. V. ALAGESAN: I don't think it is possible to run an additional train every day.

[KHWAJA INAIT ULLAH: Is it not possible for the Government to sell third class tickets according to the number of seats available as it does in the case of First Class and Second class seats? If at a station tickets are issued for all the third class seats, no tickets should be issued at the next station to avoid overcrowding.]

SHRI O. V. ALAGESAN: It is a general question.
