•390. SHRI E. K. IMBICHIBAVA: Will the Minister for TRANSPORT be pleased to state:

(a) whether Government have received any Memorandum from the Indian Sea-men's League. Bombay, forwarding the charter of demands of the Indian sea-men; and

(b) if so, what action Government have taken or propose to take in the matter?

THE DEPUTY MINISTER FOR RAILWAYS AND TRANSPORT (SHRI O. V. ALAGESAN): (a) Yes.

(b) With the exception of a few demands most of them relate to service conditions of seamen such as pension, gratuity, pay, leave, hours of duty, etc. These can be settled by negotiations between seamen and their employers

As regards the other demands which concern Government directly, the Government of India are already concerting measures for the setting up of Employment Offices for seamen, and have already relaxed suitably the standards of medical examination for seamen.

SHRI E. K. IMBICHIBAVA: (*In Malayalam*) [Do the Government propose to amend the Merchant Shipping Act as demanded in the Memorandum?]

SHRI O. V. ALAGESAN: (*In Tamil*). I do not understand the question.]

KHWAJA INAIT ULLAH: What was the question, and what was the answer?

SHRI K. C. GEORGE: The question asked is: Is the Government thinking of making any change in the Merchant Shipping Act, which is one of their demands?

SHRI O. V. ALAGESAN: No, Sir. They want Government to amend the Merchant Shipping Act. But the question of wages, etc. is not covered by that Act. It is only payment of agreed wages that is covered by the Merchant Shipping Act. Improvement of conditions regarding wages, etc., have to be settled by negotiations—Once these questions are settled, the Merchant Shipping Act will come to their aid so far as payment of those wages is concerned.

SHRI S. N. MAZUMDAR: Has the Government received any complaints from Indian seamen engaged in foreign ships about discriminatory treatment?

SHRI O. V. ALAGESAN: I do not have the information.

THE DEPUTY MINISTER FOR LABOUR (SHRI ABID ALI) : There was general agreement at the meeting on the principle of conversion of food-grain concessions into cash payments. But no agreement could be reached on the exact quantum of compensation to Tye paid in lieu of the" concessions. However, the difference between industry and labour was considerably narrowed down as a result of the •discussions.

19 A.M.

SHRI ABID ALI: Sir. Questions Nos. 391 and 392 pertain to the same subject and may be taken up together.

SHRI S. N. MAZUMDAR: If there was agreement on principle, may I know why there could not be agreement as regards the quantum of com--pensation?

SHRI ABID ALI: The principle was accepted that workers were entitled to •conversion compensation.

SHRI S. N. MAZUMDAR: Full?

SHRI ABID ALI: The quantum was in dispute.

SHRI S. N. MAZUMDAR: If there was agreement about full compensation, where does the question of quantum come in?

SHRI ABID ALI: I said that it was not agreed that compensation should be in full. The principle of giving compensation was agreed to. The difference was with regard to the quantum.

SHRI S. N. MAZUMDAR: What attitude did the representative of the Central Government take up?

SHRI V. V. GIRL The workers' demand was 10 annas, whereas the employers were prepared to pay up to 71 annas. I put forward the proposition that they should accept 9 annas. The whole matter is still being pursued

SHRI S. N. MAZUMDAR: Is it not a fact that the official team which was appointed for conducting an inquiry into the condition of the tea industry recommended full compensation?

SHRI V. V. GIRL I stated the position actually as it is. That is being pursued, and we are trying to see if any agreement can be reached.,.

SHRI S. N. MAZUMDAR: Was there any discussion about the setting up of a high-powered committee to inquire into all the aspects of the tea industry?

SHRI V. V. GIRL That is a matter which is before the Commerce and Industry Ministry.

SHRI S. N. MAZUMDAR: But I understood from a reply given on a previous occasion by my hon. friend the Deputy Minister for Labour that this aspect would also be considered in the Shillong Conference.

SHRI ABID ALI: That arose out of the proceedings of the Calcutta Conference.
