RULES GOVERNING PURCHASES FOR GOVERNMENT PURPOSES

•511. SHRI T. D. PUSTAKE: Will the Minister for WORKS, HOUSING AND SUPPLY be pleased to state whether there are any specific rules for giving preference to Swadeshi and cottage industries articles in respect of purchases for Government purposes; if so, what are they?

THE DEPUTY MINISTER FOR WORKS, HOUSING AND SUPPLY (SHRI S. N. BURAGOHAIN) : Preference is given to Swadeshi and cottage industries articles for Government purchases and two Government Resolutions, dated 12th December 1929 and 20th June 1952, contain specific rules on the point, and copies of both these Resolutions are placed on the Table of the House. [See Appendix IV, Annexure No. 126.]

SHRI T. D. PUSTAKE: Do the Government think that these alone "will secure the object in view?

SHRI S. N. BURAGOHAIN: Government have appointed recently a Stores Purchase Committee and one of the terms of reference is to see to what extent the Swadeshi articles could be given preference and other small-scale and cottage industries could be assisted by the Government's Purchase Policy.

SHRI T. D. PUSTAKE: Do the Government think that the Rules should be reviewed in the light of the Resolutions, as the hon. Minister has said just now.

SHRI S. N. BURAGOHAIN: Certainly to the extent necessary. When the recommendations of the Committee are received by Government, the matter will be taken up.

SHRI T. D. PUSTAKE: What is this 'Viceregal residence' appearing on page 5 under 'Annexure A' (See rule 7^A against item (x) ?

SHRI S. N. BURAGOHAIN: Yes, Sir, this appears in the 1929 Resolution and the Rules then made and they have not yet been modified. This is one of the matters taken up by the Committee which has recently been set up.

SHRI D. NARAYAN: Who are the members of the Stores Purchase Committee?

SHRI S. N. BURAGOHAIN: Sir, the Resolution appointing that Committee, has been published in the *Gazette of India* and the members of the Committee who are all officials are drawn from the various Ministries. They are senior officials of the Government of India and they include those belonging to the important indenting departments like Defence and Railways, There are also representatives of the Finance Ministry and of the Comptroller and Auditor-General. These officials have had experience over a number of years in this type of work.

SHRI D. NARAYAN: Will it not be desirable to associate Parliament Members with this Committee?

SHRI S. N. BURAGOHAIN: This is a specialised type of work. That is why the Committee that has been appointed is some kind of an expert Committee.

SHRI D. NARAYAN: But will it not be desirable to associate Parliament Members, who have got better interest in Swadeshi, with this Committee? What is the harm?

SHRI S. N. BURAGOHAIN: I think the Committee can have the benefit of their advice or evidence on the questionnaire that is soon going to be issued.

SHRI B. M. GUPTE: Does not the Government consider it necessary to lay down a fixed percentage in regard to concession in price?
