**Education Guarantee Scheme and Alternative and  
Innovative Education**

714. DR. BHALCHANDRA MUNGEKAR: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) the status of Education Guarantee Scheme and Alternative and Innovative Education (EGS and AIE), which is meant to encourage alternative and innovative education;

(b) the total number of schemes that are operational as part of EGS and AIE, year-wise and State-wise; and

(c) the approved and released amounts for the various schemes till date, year-wise and State-wise?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRIMATI D. PURANDESWARI): (a) and (b) Sarva Shiksha Abhiyan (SSA) provided support to alternate schooling facilities under its EGS and AIE component. EGS Centres were envisaged as a transitory measure to provide schooling to children in habitations unserved by a regular school, till such time that regular and full time schooling facilities were provided in the area. The RTE Act, 2009, which became operative on 1st April, 2010 provides that the appropriate Government shall establish a school in neighbourhood as defined in the State RTE rules within a period of three years from the commencement of the Act. The SSA norms have, therefore, been revised to correspond with the RTE Act. States have been advised to upgrade all EGS Centres to regular Primary Schools by March, 2012, and no new EGS Centres are being sanctioned with effect from 2010-11. AIE Centres are being reconceptualized as special training Centres for out of school children to ensure their age-appropriate enrollment and participation in regular elementary schools.

(c) Funds released to the States/UTs for EGS/AIE Centres since 2003-04, upto 2010-11 is provided in the Statement.
