#### **Achievement of RGGVY target**

\*103. SHRI KANWAR DEEP SINGH: Will the Minister of POWER be pleased to state:

(a) whether the targets fixed for electrification of villages during each of the last three years under the Rajiv Gandhi Grameen Vidyutikaran Yojana (RGGVY) have been achieved in various States including Jharkhand;

(b) if so, the details thereof, State-wise; and

(c) if not, the reasons therefor?

THE MINISTER OF POWER (SHRI SUSHILKUMAR SHINDE): (a) to (c) Under Rajiv Gandhi Grameen Vidyutikaran Yojana (RGGVY), the targets fixed for electrification of un/de-electrified villages in the country were 15,000 villages for 2008-09, 17,500 villages for 2009-10 and 17,500 villages for 2010-11 and the achievements were 12,056 villages, 18,374 villages and 18,306 villages respectively. The targets and achievement of electrification works of un/de-electrified villages for the sanctioned projects under RGGVY including the State of Jharkhand during the last three years, State-wise, is given in the Statement (*See below*). It is evident that most of the States have achieved allotted targets. However, there have been delays in some States in execution of the projects on account of delay in forest clearance, railway crossing clearance, land acquisition for substations, delay in finalization of BPL lists and delay in award of projects especially in North Eastern States.

#### **Statement**

*State-wise and Year-wise target and achievement of electrification works of un/de-electrified villages for the sanctioned projects under RGGVY*
