

(b) if so, details in this regard;

(c) whether Director-General, Civil Aviation (DGCA) has issued instruction to private airlines to follow the Supreme Court direction; and

(d) if not, the reasons therefor?

THE MINISTER OF CIVIL AVIATION (SHRI VAYALAR RAVI): (a) and (b) Ministry has not received any such direction from Hon'ble Supreme Court of India.

(c) and (d) Civil Aviation Requirements (CAR) Section 3, Series 'M', Part IV is already in vogue with regard to facilities to be provided to passengers by airlines due to denied boarding, cancellation of flights and delays in flights. In accordance with the provisions of the said CAR, in case of flight delays more than two hours, all scheduled airlines are required to provide meals and refreshments to the passengers in relation to waiting time.

Air traffic expansion in India

*515. SHRIMATI SHOBHANA BHARTIA: Will the Minister of CIVIL AVIATION be pleased to state:

(a) whether the Airports Authority of India (AAI) has sought more funds to keep pace with fleet and traffic expansion expected in India in the next few years;

(b) if so, the details thereof;

(c) whether the air traffic from non-metro airports and greenfield airports is likely to grow manifold; and

(d) if so, the plans of Government/AAI to maintain infrastructure growth to meet air traffic demand?

THE MINISTER OF CIVIL AVIATION (SHRI VAYALAR RAVI): (a) and (b) The fund requirements for meeting the Capital Expenditure are met largely through the Internal Resources of Airports Authority of India (AAI). However, in respect of certain airports which are being developed by AAI on the directions of the Government of India (GoI) and certain other airports in the North East Region which are funded by NEC Grants, AAI is in receipt of Budgetary Support/Budgetary Grant from GoI and North East Council.

(c) and (d) Yes, Sir. To meet the growth in air traffic in the coming years, AAI has already chalked out a Plan for expansion and modernization of 35 Non-Metro Airports and has also taken up the development and modernization of the International airports at Chennai and Kolkata. AAI has already completed development of many Non-Metro airports in the Country. Details of airports modernization projects completed/taken up in the last three years are given in the Statement-I and II (See below) respectively.

Statement-I

Details of Airports where work completed during last three years

(Rs. in crores)			
Sl.No.	Name of Schemes	Amount Sanctioned	Status as on 31.07.2011
1	2	3	4
NORTHERN REGION			
1	DEHRADUN		
	Construction of New TB, Substation cum AC Plant room, car park etc,	35.00	Completed
	Construction of technical block cum control tower, fire station, medical centre	6.78	Completed
2	CHANDIGARH		
	Construction of New integrated Terminal Building	78.00	Completed
3	LUCKNOW		
	Construction of new apron for four wide-bodied aircraft and taxiway	41.30	Completed
4	SRINAGAR		
	Expansion of apron Ph-II	28.00	Completed
	Expansion and Modification of Terminal Building complex	101.33	Completed
5	VARANASI		
	Construction of new integrated terminal building complex	139.50	Completed

1	2	3	4
