*In the States of Andhra Pradesh, Gujarat, Haryana, Kerala, Maharashtra, Punjab and Tamil Nadu, all the villages were electrified prior to launching of RGGVY. Hence, no un-electrified villages are covered for electrification in these States. However, intensive electrification of already electrified villages are covered in these States.

Power shortage in Odisha

2140. SHRI KISHORE KUMAR MOHANTY: Will the Minister of POWER be pleased to state:

- (a) whether Government is aware that there is huge power shortage in Odisha resulting enormous loss to the industrial sector;
- (b) if so, whether Government has analyzed the reasons therefor; and
- (c) the details of power projects implemented during the last three years and the number of power projects pending in that State?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRI K.C. VENUGOPAL): (a) and (b) There is an overall shortage of power in the country. The shortage varies from State to State on season to season and month to month basis depending upon the demand and availability of power. There was marginal energy and peak shortage of 0.7% and 1.8 % respectively in Odisha during April to November, 2011.

(c) Details of Thermal Power projects commissioned during the last three years and presently under construction in the state of Odisha are given in the statement.

Statement

Thermal Power projects commissioned during the last three years and presently under construction in the State of Orisha

Sl. No.	Project Name	Implementing Agency	Capacity (MW)	Commissioning Schedule
