(b) if so, the action taken thereon ?

t[] English translation.

THE PRIME MINISTER AND MINISTER OF EXTERNAL AFFAIRS (SHRIMATI INDIRA GANDHI)

(a) and (b) The "Übersee Rundschau" magazine in which the map had appeared is not a Government or Semi-Government publication of the Government of the Federal Republic of Germany. The magazine, which has a very limited circulation, deals with political, economic and cultural matters. In its issue of March 1967 a map was published to illustrate an article entitled "India's race with time". In the map the cease-fire line in Jammu and Kashmir has been shown as the international boundary of India in that sector. The map is so small that it would be difficult to assess the marginal error in depicting the NEFA boundary with Tibet. The attention of the Publishers to the correct frontiers of India has been drawn by our Embassy in Bonn.
