518. SHRI CHITTA BASU : Will the Minister of TRANSPORT AND SHIP PING be pleased to state :

(a) whether the Bombay Port Authorities have implemented the recommendations of the Industrial Tribunal published in the Gazette of India, dated March 2, 1968; and

(b) if not, what steps have been taken by Government to secure the implementation of the same ?

THE MINISTER OF TRANSPORT AND SHIPPING (PROF. V.K.R.V. RAO) : (a) and (b) The Industrial Tribunal had held that there was justification for the posting of a workman in addition to the driver on the diesel locos operating in the Bombay Port Trust. The Port Trust, however, held the view that there was no justification and that an appeal should be filed in the Supreme Court against the award. Mean while, pending the leave to appeal and stay order being granted by the Supreme Court, the Port Trust appointed 14 greasers in partial implementation of the award. The required number of men was not initially available for promotion as they had to be given a short training and the award was, therefore, implemented partially. The Supreme Court granted the leave to appeal and a stay order on 22nd May 1968. The employees of the steam loco shed and the diesel loco shed of the Bombay Port Trust, however, went on strike from the midnight of 16th May till the midnight of 25th. The strike was called off as a result of negotiations between the parties and as a result the Port Trust agreed, pending the decision of the Supreme Court, to appoint additional mazdoors to assist the drivers. Since then 28 mazdoors have been appointed in implementation of the settlement over and above the 14 posts of Greasers filled earlier.
