

(b) what is the delineation of the tribal sub-plan area in Gujarat and what criteria have adopted to do so; and

(c) whether the sub-plan has been revised; if so, the details thereof;

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI INDER KUMAR GUJRAL) : (a) 32 talukas having tribal concentration have been identified by the Government of Gujarat for inclusion in the tribal area sub-plan of Gujarat in consultation with Planning Commission and Ministry of Home Affairs.

(b) The talukas identified for inclusion in tribal area sub-plan lie in the districts of Sabarkantha, Panchmahals, Vadodara, Bharruch, Surat, Dangs and Valsad and form almost a contiguous belt from north to south on eastern side of each of the districts. According to the guidelines of the Planning Commission, the tribal sub-plan will include talukas/tehsils/blocks with 50 per cent or more of tribal concentration in addition to the Scheduled Areas.

(c) No, Sir, the State Government has been requested to recast the tribal sub-plan.

Revival of sick industrial units

753. SHRI D. N. DWIVEDI: Will the Minister of INDUSTRY AND CIVIL SUPPLIES be pleased to state whether Government propose to set up a special fund for lending money to sick industrial units at concessional rates in order to revive them?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY AND CIVIL SUPPLIES (SHRI B. P. MAURYA) : Arrangements already exists for resources to be provided to sick industrial units on special terms. The IRCI was set up to assist the sick industrial units and it has so far sanctioned loans and guarantees to the extent of Rs. 31 crores for 93 units. The position in regard to sick industrial units in general, was recently reviewed and it was

felt that emphasis should be on prevention of sickness, with the leading role being played by financial institutions and commercial banks in nursing affected units to enable them to regain viability. The Government have also recently announced their decision to provide the Industrial Development Bank with enough resources to enable it, in collaboration with other term lending institutions, to finance the requirements of modernisation, renovation and rehabilitation of units in certain important industries. This should help in preventing such units from falling into the 'sick' list.
