Scheme for installing wind power generation plants

*315. SHRIMATI NAZNIN FARUQUE: Will the Minister of NEW AND RENEWABLE ENERGY be pleased to state:

- (a) whether Government has any scheme/plan to install wind power generation plants to meet the power crisis in the country, especially in rural/village area;
 - (b) if so, the details thereof; and
- (c) whether Government has made any criteria or rules to install such plants in the country?

THE MINISTER OF NEW AND RENEWABLE ENERGY (DR. FAROOQ ABDULLAH): (a) and (b) Yes, Sir. Government is implementing a plan to install wind power generation plants in the country including rural/ village areas. A total wind power capacity of 17,875 MW has been installed in the country, and further development is taking place. The state-wise wind power installed capacity is given in Statement (See below).

(c) Electricity Act, 2003 provides for suitable measures for connectivity of wind power projects with the grid and sale of electricity. It also provides for specifying a Renewable Power Obligation (which is specified as a percentage of the total consumption of electricity in the area of a distribution licensee) for purchase of electricity from renewable energy sources including wind energy. The National Tariff Policy-2005 enjoins upon the state electricity regulators to notify preferential tariff for renewable power, including wind power.

In order to promote orderly growth of wind power sector in the country, the Ministry has introduced detailed guidelines for implementation of wind power projects.

Statement
State-wise wind power installation

States	Capacity (MW)
Andhra Pradesh	337
Gujarat	3025
Karnataka	2056
Kerala	35
Madhya Pradesh	377
Maharashtra	2,789
Rajasthan	2,151
Tamil Nadu	7,101
Others	4
Total:	17,875

Budgetary allocations

- *316.DR. VIJAY MALLYA: Will the Minister of NEW AND RENEWABLE ENERGY be pleased to state:
- (a) the budgetary allocations made for the Ministry during the last five years;
 - (b) how much of these allocations have been utilized, so far, and
