(a) whether Government is aware that Pakistan has put India in the Most Favoured Nation (MFN) list to boost trade between the two countries;

- (b) if so, what is Government's reaction thereto;
- (c) whether it is a fact that Government proposes to sell electricity to Pakistan; and
- (d) if so, the details thereof?

THE MINISTER OF COMMERCE AND INDUSTRY (SHRI ANAND SHARMA): (a) and (b) With regard to Most Favoured Nation status for India, a decision was taken in the cabinet meeting of Pakistan and communicated through the Press Release of Pakistan Government dated 2nd November, 2011. This states that "the (Pakistan) Cabinet gave Ministry of Commerce the mandate to take the process of normalization forward, which would culminate in the observance of Most Favoured Nation (MFN) principle in its true spirit".

The Commerce Ministers of India and Pakistan along with their official delegations, held a bilateral meeting on February 15, 2012. It had been agreed that Pakistan will move from a 'Positive List' to a small 'Negative List' by February, 2012. The Negative List of 1209 items has been formally notified by the Government of Pakistan on 20th March, 2012.

It is expected that the complete phasing out of the Negative List before the end of 2012, would complete the transition to Most Favoured Nation (MFN) status for India, by Pakistan.
