Both the mobile phones and laptop are to be returned at the end of his tenure.

## Schemes for slum dwellers and urban poor

1185. SHRI D.P. TRIPATHI: Will the Minister of HOUSING AND URBAN POVERTY ALLEVIATION be pleased to state:

- (a) the details of the schemes implemented for slum dwellers and urban poor,
- (b) the cities selected under these schemes;
- (c) whether it is a fact that funds sanctioned under these schemes has been diverted by the State Governments;
  - (d) if so, the details thereof, and
  - (e) the steps Government is taking for the proper utilization of these funds?

THE MINISTER OF HOUSING AND URBAN POVERTY ALLEVIATION (KUMARI SELJA): (a) and (b) The Ministry of Housing and Urban Poverty Alleviation is implementing the following schemes for slum dwellers and urban poor across the country:

- (i) Under the Jawaharlal Nehru National Urban Renewal Mission (JNNURM) launched on 3rd December, 2005, the Basic Services to the Urban Poor (BSUP) and Integrated Housing and Slum Development Programmes (IHSDP) are being implemented which focus on basic services to the urban poor and integrated development of slums. Under BSUP, 65 select cities in the country are covered and the remaining cities are covered under IHSDP. Under BSUP scheme, 527 projects have been approved with total project cost of Rs. 30188.69 crores for construction of 1017252 Dwelling Units (DUs). Under IHSDP scheme, 1084 projects in 928 cities have been approved with total project cost of Rs. 12048.50 crores for construction of 570951 Dwelling Units (DUs).
- (ii) Swarna Jayanti Shahari Rozgar Yojana (SJSRY) aims at providing gainful employment to the urban unemployed and under-employed poor, through encouraging the setting up of self-employment ventures by the urban poor living below the poverty line, skills training and also through providing wage employment by utilizing their labour for construction of socially and economically useful public assets. This scheme is applicable to all cities and towns in the country. During the 2011-12, 353,803 beneficiaries were covered under skills training and 79,804 beneficiaries under urban self-employment programme components of SJSRY.
- (iii) In pursuance of the Government's vision of creating a Slum-free India, a new scheme 'Rajiv Awas Yojana' (RAY) has been launched on 02.06.2011. Under the Scheme financial assistance is being provided to States that are willing to assign property rights to slum dwellers for provision of decent shelter and basic civic and social services for slum redevelopment, and for creation of affordable housing stock. The scheme is expected to cover above 250 cities, across the entire country by the end of 12th Plan (2017). The States would be required to include all the mission cities of JNNURM, preferably cities with more than 3 lakh population as per 2001 Census; and other smaller cities, with due consideration to the pace of growth of

the city, of slums, predominance of minority population, and areas where property rights are assigned. Funds have been released to 34 States/UTs under Slum Free City Planning Scheme - the preparatory phase of Rajiv Awas Yojana. The list of 185 cities in which preparatory activities are being undertaken are given in Statement-I (*See* below). In addition, 8 pilot projects with total project cost of Rs. 446.22 Crores involving Central Assistance of Rs. 197.09 Crores have been approved under RAY for construction of 8400 dwelling units. The first installment of Rs. 65.69 Crores has been released to the concerned states as given in the Statement.

- (iv) The Affordable Housing in Partnership Scheme, which is intended to encourage public private partnerships for the creation of affordable housing stock has been dovetailed with RAY. Under this scheme, central support will be provided at the rate of Rs. 50,000 per unit of rental/affordable dwelling unit or 25% of the cost of civic infrastructure (external and internal), whichever is lower. Under this Scheme, which is applicable to all cities covered under RAY, 8 projects have been sanctioned with a central assistance of Rs. 7.2 Crore for construction of 5776 Affordable dwelling units.
- (v) To enable the urban poor to obtain credit for home loans at affordable rates, the Interest Subsidy Scheme for Housing the Urban Poor (ISHUP), which provides 5 % interest subsidy on loans up to Rs. one lakh, is being implemented. This scheme has been dovetailed with RAY. As on date, 10,215 beneficiaries have been benefitted.
- (c) and (d) Sir, Ministry is not aware of any such diversion.
- (e) For proper utilization of funds under these schemes, this Ministry is regularly monitoring the progress through quarterly/monthly physical and financial reports, periodic review meeting at state/regional/city level and field visits by Ministry's officers and monitoring agencies.

## Poverty alleviation schemes in J & K

1186. PROF. SAIF-UD-DIN SOZ: Will the Minister of HOUSING AND URBAN POVERTY ALLEVIATION be pleased to state:

- (a) whether the Ministry is aware of its public criticism that it has not ensured flow of benefits of poverty alleviation schemes to the Jammu and Kashmir, especially in the Kashmir Valley; and
- (b) if so, whether the Ministry had undertaken measures to cover some areas in Jammu and Kashmir; and
- (c) what the Ministry envisages for future and what is the feed-back, areawise?
