

(c) whether Cabinet Secretary has issued any communication to Union Secretaries to implement Cabinet and Cabinet Committee decisions in time and if so, the details thereof;

(d) whether Chairman, Cabinet Committee on Accommodation has received complaints from MPs regarding non-implementation of CCA decision dated 26.10.2005 (Case No. 60/CCA/2005) by the Ministry of Urban Development; and

(e) if so, the action taken by the Ministry to implement the said CCA decision?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI SAUGATA RAY) : (a) Decisions taken by the Cabinet/Cabinet Committees are required to be implemented by the Ministries/Departments concerned, and in cases, where a change in any such decision is considered necessary, the matter is required to be placed for consideration of the Cabinet, or the Cabinet Committee concerned.

(b) Reply to part (a) above explains the position.

(c) The Cabinet Secretariat periodically writes to the Ministries/Departments concerned for timely/expeditious implementation of the decisions taken by the Cabinet/Cabinet Committees.

(d) Yes, Sir, Ministry of Urban Development has received complaints from some MPs regarding non-implementation of decision dated 26.10.2005 of Cabinet Committee on Accommodation regarding vacation of office/residential units of Govt. accommodation allotted to Kendriya Bhandar. The hon'ble MPs have been informed of the facts.

(e) The Ministry of Urban Development has discussed the issue with the Department of Personnel and Training at various levels. Notices for recovery of arrears have been issued to Kendriya Bhandar also. The Department of Personnel and Training have decided to seek review of CCA decision dated 26.10.2005 regarding Kendriya Bhandar.

Urban water supply in AP

1236. SHRI DEVENDER GOUD T. : Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) the status of urban water supply in Andhra Pradesh, particularly in the Telangana region;

(b) the year-wise and district-wise details, of schemes/programmes being implemented in the country *vis-à-vis* Andhra Pradesh since inception of the Accelerated Urban Water Supply (AUWS) Programme; and

(c) what are the reasons that not even a single scheme has been taken up under Accelerated Urban Water Supply Programme in Andhra Pradesh between 2008 and 2012?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI SAUGATA RAY) : (a) and (b) Centrally Sponsored Accelerated Urban Water Supply Programme (AUWSP) was launched in 1993-94 by the Government of India to provide central assistance to State Governments on 50:50 matching basis between Central Government and State Governments for implementation of water supply schemes in small towns having population less than 20,000 as per 1991 census. The same criteria of eligibility were adopted as per 2001 census for financial assistance with subsequent decision taken in consultation with Planning Commission. The AUWSP has been subsumed with Urban Infrastructure Development Scheme for Small and Medium Towns (UIDSSMT) under Jawaharlal Nehru National Urban Renewal Mission (JNNURM) with effect from FY 2005-06. Under AUWSP, out of total 1244 schemes, 42 schemes of A.P. were approved and the 35 schemes have been commissioned/ completed and the remaining 7 schemes are at different stage of implementation. The details of AUWSP scheme being implemented in the country including the Status of Andhra Pradesh is given in the Statement-I (*See below*).

The other schemes/programmes of the Ministry since inception of AUWSP are as under:

Ministry of Urban Development has launched Jawaharlal Nehru National Urban Renewal Mission (JNNURM) in 2005 with a view to provide financial assistance for creating infrastructure facilities in all the urban areas of the country including water supply with a reform oriented agenda. The JNNURM has two sub-missions namely Urban Infrastructure and Governance (UIG) and Urban Infrastructure Development Scheme for Small and Medium Towns (UIDSSMT). Under UIG component of JNNURM, 65 cities having population more than one million and State capitals are eligible for funding and the remaining towns are eligible under UIDSSMT component.

Under UIG, Hyderabad, Vijayawada and Vishakhapatnam are eligible. So far, 18 projects on Water Supply Sector have been approved with approved cost of Rs. 2,24,394.48 lakh and ACA commitment of Rs. 89,162.69 lakh for Andhra Pradesh. Under UIDSSMT, 84 projects on Water Supply Sector have been approved with approved cost of Rs. 2,45,995.50 lakh and ACA commitment of Rs. 1,99,157.32 lakh for Andhra Pradesh. The details are given in Statement-II respectively.

Ministry of Urban Development has formulated a Scheme for Urban Infrastructure Development Scheme in Satellite Towns/Counter Magnets of Million plus Cities (UIDSST). The objectives of this scheme amongst others are to develop urban infrastructure facilities including water supply at Satellite towns/Counter Magnets around Seven mega-cities. The details are given in the Statement-III (*See below*).

The Ministry has also launched North Eastern Region Urban Development Programme (NERUDP). The capital cities of the five states are covered in the first phase *viz.*, Agartala (Tripura), Aizawl (Mizoram), Gangtok (Sikkim), Kohima (Nagaland) and Shillong (Meghalaya) and the remaining three States would be covered in Phase-II. The details of water supply schemes sanctioned are given in the Statement-IV (*See below*).

The Ministry of Urban Development has also launched a scheme on 10% Lump-sum provision for the Development of North Eastern Region including Sikkim. The details of water supply schemes sanctioned are given in the Statement-V (*See below*).

(c) The AUWSP has been subsumed with Urban Infrastructure Development Scheme for Small and Medium Towns (UIDSSMT) under Jawaharlal Nehru National Urban Renewal Mission (JNNURM) with effect from FY 2005-06 and therefore, no new scheme has been approved by the Ministry under AUWSP after FY 2004-05.
