

de-duplication and generation of unique identity for every resident. With a view to streamline biometric data collection of residents, the Government has decided that in States where UIDAI has made good progress or where States/UTs Government's have given commitment for aadhaar enrolments and are planning to integrate with various service delivery applications, aadhaar enrolments through non-RGI Registrars will continue. Accordingly, certain States/UTs have been specified where non-RGI Registrars of UIDAI will continue to collect data whereas in other States/UTs, only RGI will enroll residents. It has also been decided that NPR enrolment will continue as envisaged, but, if in the course of NPR enrolment, a person indicates that he/she is already enrolled for Aadhaar, the biometric data will not be captured by RGI. Instead, the Aadhaar number/enrolment number will be recorded in NPR and biometric data will be sourced from UIDAI.

RGI is one of the Registrars of UIDAI and aadhaar numbers are generated for data collected for NPR.

(g) Does not arise.

Implementation of UID pilot projects

2270. SHRI N.K. SINGH :

DR. JANARDHAN WAGHMARE :

Will the PRIME MINISTER be pleased to state:

(a) the details of the pilot projects under the Unique Identity (UID) project undertaken so far;

(b) the status of implementation of the UID pilot projects;

(c) whether any performance audit has been conducted for the UID pilot projects; and

(d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI RAJEEV SHUKLA) : (a) and (b) The Pilot Projects are being implemented in Jharkhand, Tripura and Maharashtra. The details are as under:

(i) **Direct Cash Transfer into a beneficiary account through Aadhaar Payment Bridge System:** This system has been used for transfer of various

welfare benefits like MGNREGAS, Scholarships, Old Age Pensions and BPL payments for UIDAI enrollment etc.

- (ii) **Ease of access of Financial Services to Rural population through Aadhaar Enabled Payment Systems:** The resident to use Aadhaar as his/her identity to authenticate and subsequently operate his/her respective Aadhaar Enabled Bank Account (AEA). Approximately 45 micro ATMs with Standardized Financial Application developed by respective banks have been deployed.

(iii) **PDS Pilot in Andhra Pradesh**

This pilot was initiated by Consumer Affairs, Food and Civil Supplies Department of Andhra Pradesh in the East Godavari district on 1st September, 2012 later in Hyderabad district also. Out of targeted 1 lakh households with around 4.5 lakh, beneficiaries, more than 2 lakh ration deliveries have been made so far.

(iv) **LPG Delivery Pilot in Mysore, Karnataka**

This pilot was initiated by the three Oil Marketing Companies - IOCL, and BPCL and HPCL in January 2012, in collaboration with Ministry of Petroleum and Natural Gas to use Aadhaar biometric authentication at the time of delivery of LPG cylinders to minimize diversion of subsidized LPG cylinders. The target consumer base for the pilot is around 85,000 beneficiaries.

- (c) and (d) No such audit has been conducted for the UID Pilot Projects.

Attainment of MDGs targets

†2271. SHRIMATI MAYA SINGH : Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that India is ranked at 89th position among the list of 125 nations in the Millennium Development Goals (MDGs) 2012 Report;

(b) whether it is also a fact that as per the statistics issued by the UNICEF 32.7 per cent population of India is surviving on less than a dollar;

†Original notice of the question was received in Hindi.
