Agreement with Australia for development of smart cities

757. SHRI T.M. SELVAGANAPATHI: Will the Minister of URBAN DEVELOPMENT be pleased to state:

- (a) whether it is a fact that Government has tied up with Australia for development of smart cities;
- (b) if so, the details thereof;
- (c) whether it is also a fact that Government has decided to set up two such cities in each State; and
- (d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRIMATI DEEPA DASMUNSHI): (a) No, Sir.

- (b) Does not arise.
- (c) No, Sir.
- (d) Does not arise.

Action plan for infrastructure in urban areas

758. DR. T. SUBBARAMI REDDY: Will the Minister of URBAN DEVELOPMENT be pleased to state:

- (a) whether 50 per cent cities and towns in the country do not have access to basic services like water supply, sewerage system, solid waste management, storm water drainage etc.;

(b) if so, the details of such cities and towns where piped water supply, sewerage system, solid waste management and storm water drainage are either non-existent or are in a poor State, State-wise;

(c) whether the Union Government proposes to prepare an action plan to ensure that infrastructure in urban areas are developed keeping in view the place of population growth in urban areas;

(d) if so, the details thereof; and

(e) the steps taken by the Union Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRIMATI DEEPA DASMUNSHI): (a) and (b) Water supply and sanitation is a State subject and it is the responsibility of the State Government to provide and maintain such services. The Government of India does not maintain such details.

(c) to (e) Government of India has launched the Jawaharlal Nehru National Urban Renewal Mission of which two/components, i.e. Urban Infrastructure and Governance component and the Urban Infrastructure Development Schemes for Small and Medium Towns component which are implemented by the Ministry of Urban Development have the objective of covering all cities and towns with adequate infrastructure. In addition, other schemes are also being implemented such as North Eastern Region Urban Development Programme, 10% Lump Sum Scheme for North East Region including Sikkim, Scheme for Infrastructure Development of Satellite Towns. In all these schemes, the water and sewerage sector is assigned high priority. Details of the water and sanitation scheme approved under these schemes are given in Statement I, II, III, IV & V.
