(c) and (d) The Government has been making consistent progress in meeting

the goal of Universal Elementary Education through the implementation of the Sarva Shiksha Abhiyan (SSA). Under the SSA, several interventions to promote education of girls are undertaken which include the opening of schools in the neighbourhood to make access easier for girls, the appointment of additional teachers including women teachers, free textbooks, free uniforms, separate toilets for girls, early childhood care and education centres in/near schools in convergence with ICDS programmes etc., teachers' sensitization programmes to promote girls participation and gender-sensitive teaching-learning materials including textbooks and intensive community mobilization efforts to promote girls education. In addition, in educationally backward blocks with female literacy rates below the national average, the Kasturba Gandhi Balika Vidyalaya (KGBV) Scheme of residential upper primary schools for girls and the National Programme for the Education of Girls at the Elementary Level (NPEGEL) for the intensification of community mobilization and cluster based intervention have been undertaken for addressing issues of girls education. A scheme for the construction and running of girls' hostels in secondary and higher secondary schools is also being implemented since 2009-10 in educationally backward blocks in the country to improve access and retention of the girl child. To reduce the drop-outs and to promote the enrolment of girl child, under the National Scheme of Incentive to girls for Secondary Education, a sum of Rs. 3000/- is deposited in the name of eligible unmarried girls as fixed deposit to be paid along with interest on passing class 10th and attaining age of 18 years.

(e) The Right of Children to Free and Compulsory Education (RTE) Act, 2009, which became operational with effect from 1st April, 2010, provides that every child in the 6 to 14 age-group shall have a right to free and compulsory education till the completion of elementary education. The SSA Framework of Implementation has been revised to correspond with the provisions of the RTE Act, 2009 and the SSA is being implemented in accordance with the norms and standards of the RTE Act to enhance enrolment. The Mid-Day-Meal Scheme is also being implemented with a view to enhance the enrolment and retention of children in school. Further, the Rashtriya Madhyamik Shiksha Abhiyan which has been launched for universal access to secondary education aims at removing gender and socio-economic disparities in access to education. There is a provision for the upgradation of the Kasturba Gandhi Balika Vidyalayas to secondary schools to enable girls to continue their education under the RMSA.
