THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRIMATI SURYAKANTA PATIL): (a) and (b) The Central allocation of funds to the State Governments under the schemes of the Ministry of Rural Development is done mainly on the basis of proportion of rural poor in a State/UT to the total rural poor in the country, according to the estimates of the Planning Commission on the poverty incidence. However, under the Indira Awas Yojana (IAY) the shortage of houses is also taken into account and similarly in case of other Schemes parameters specific to the scheme are also taken into account in addition to the poverty incidence. The poverty estimates of the Planning Commission are based on the results of the National Sample Survey Organisation (NSSO).

(c) According to the information given by the Planning Commission, fresh poverty estimates will be computed on the basis of the results of 61st Round of National Sample Survey Organisation (NSSO), which is a large sample survey on Households Consumption Expenditure.
