THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI PRADEEP JAIN): (a) to (d) The primary objective of Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) is to enhance the livelihood security of the rural households by providing up to 100 days of guaranteed wage employment in a year to every household on demand for doing unskilled manual work. Provisions of MGNREGA are effected as demand driven schemes, to be prepared and implemented by the State Governments and it is the responsibility of the State Governments concerned to provide the number of days of employment guaranteed under section 3 of the Act on demand. As employment is provided on demand, households provided employment and persondays generated under MGNREGA by the States/UTs depend on demand for employment. Demand for employment under MGNREGA is also dependent upon several external factors including availability of alternate employment opportunities. The details of cumulative number of job cards issued since inception till 2011-12, households provided employment and total expenditure incurred during last five years, year wise and District wise as reported by the State Government are given in the Statement (*See below*).

(e) and (f) The Ministry receives a large number of complaints of all types about implementation of MGNREGA in the country including Andhra Pradesh. 2 cases related to delayed payment of wages, 1 case related to underpayment of wage and 3 cases related to nonpayment of wages in Andhra Pradesh have been received in the Ministry as on 15.2.2013. As implementation of the Act is done by the State Governments in accordance with the Schemes formulated by them as per the provisions of the Act, all such complaints/cases received in the Ministry are forwarded to the concerned State Governments for taking appropriate action as per law. Various advisories have been issued to States/UTs to check delays in payments. A time schedule for payment of wages has been suggested by the ministry to the States/UTs to reduce administrative delays.
