

professionals in the field of mental health, Government of India is implementing the National Mental Health Programme (NMHP) since 1982 with the following components:

- i. District Mental Health Programme
- ii. Up-gradation of Psychiatric Wings of Government Medical Colleges
- iii. Modernization of Government Mental Hospitals

During the Eleventh Five Year Plan, the NMHP had been restructured to include Manpower Development Schemes.

Under the Manpower Development Scheme (Scheme-A), 11 Centres of Excellence in the field of mental health have been established in the country by giving them support for Capital Works, Technical Equipments, Non Technical Equipments, Faculty and Library.

Under Manpower Development Scheme (Scheme-B), support for Capital Works and Faculty Support has been provided to 27 PG Departments in mental health specialties *viz.* Psychiatry (7 Departments), Clinical Psychology (7 Departments), Psychiatric Social Work (6 Departments) and Psychiatric Nursing (7 Departments).

As a result of implementation of Manpower Development Schemes (Scheme - A and Scheme - B) in the country, a total of 151 new PG seats in mental health specialties have been created in the supported Institutes.

Further, the following achievements have been made as per given details:

- I. District Mental Health Programme with added components of Life Skills Education and Counselling in Schools and Colleges, suicide prevention services *etc.* is currently under implementation in 123 Districts of the country.
- II. Up-gradation of 88 Psychiatric Wings of Government Medical College has been supported under the scheme
- III. Modernization of 29 Government Mental Hospitals has been supported under the scheme.

#### **Closure of polluting factories in Kanpur**

†\*206. SHRI RASHEED MASOOD: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

---

†Original notice of the question was received in Hindi.

(a) the number of factories operating in Kanpur facing closure by the orders of the Central Pollution Control Board (CPCB);

(b) whether these factories have been shut down; and

(c) the action taken against the factories which are still operating in violation of the rules of the CPCB?

THE MINISTER OF STATE OF THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRIMATI JAYANTHI NATARAJAN): (a) to (c) The Central Pollution Control Board (CPCB) under the programme of National Ganga River Basin Authority (NGRBA) is carrying out surprise inspections of industries located in the catchment area of river Ganga with a view to verify their compliance to pollution control norms. Amongst the industries located in command area of river Ganga, tanneries have been identified as one of the highly polluting sectors. There are about 350 tanneries in Kanpur. The Central Pollution Control Board has carried out inspection of 174 of these tanneries during August-November 2012, out of which 73 tanneries were found not complying norms, 60 units were found meeting the standards and 41 were closed.

The status of compliance and actions taken to prevent pollution from tanneries are as follows:

- (i) Out of 60 compliant tanneries, 15 tanneries have adopted dry processing operations. 45 tanneries have taken adequate steps and are reported to be complying with the prescribed norms.
- (ii) Based on the severity of non-compliance, out of 73 non-compliant tanneries, 35 tanneries have been asked to show cause under Section 5 of Environment (Protection) Act, 1986 as to why they should not be closed due to their non-compliance Statement-I (*See below*). In case of 30 tanneries, CPCB issued confirmed technical directions to take affirmative action to meet with pollution control norms Statement-II (*See below*). In respect of remaining 8 tanneries, action has been initiated (Statement-III).

#### **Functioning of MFIs in Haryana**

\*207.DR. KANWAR DEEP SINGH: Will the Minister of FINANCE be pleased to state:

- (a) the penetration of Micro-Finance Institutions (MFIs) in Haryana;
- (b) the amount of credit supplied by these institutions to the farmers over the last three years;
- (c) whether the rates of interest charged by these institutions are higher than normal banking rates;
- (d) if so, the reasons therefor; and
- (e) the corrective measures being taken to address the same?

THE MINISTER OF FINANCE (SHRI P. CHIDAMBARAM): (a) and (b) Reserve Bank of India (RBI) has reported that it does not have any Micro Finance Institution (MFI) registered with them which is operating in Haryana. Small Industries Development Bank of India (SIDBI) which lends to the microfinance sector has informed that as per the information collected from the Micro Finance Institutions (MFIs) operating in Haryana, the outstanding portfolio to farm sector is given in Statement. (*See below*)

(c) to (e) The rates of interest charged by the MFIs are usually higher than the rates charged by the Public Sector Banks from their customers due to higher cost of funds and higher operational cost. In order to ensure that the rates charged by MFIs are within reasonable limits, Reserve Bank of India (RBI) vide its circular dated 3rd August, 2012 has specified that the Non-Banking Finance Company Micro Finance Institutions (NBFC-MFIs) will ensure that the average interest rate on loans during a financial year does not exceed the average borrowing cost during that financial year plus the margin. The margins have been capped at 10% for large MFIs (loans portfolios exceeding Rs.100 crore) and 12% for others.
