

primarily on the basis of their Notional Allocation (NA) being conveyed to them at the beginning of the financial year. State Governments are expected to send their proposal within the NA and meet their additional requirement out of their own resources. All the complete proposals received in a financial year are processed in accordance with the guidelines of the Scheme and the extant financial rules. Central assistance is released subject to availability of funds.

The Notional allocation and Central assistance released to the State Government of Maharashtra during last three years are given as under:

Year	Notional Allocation	Rs. in lakh
		Amount released
2010-11	1553.00	5677.11
2011-12	4704.00	6124.90
2012-13	5500.00	9072.32

It will be seen from the above that Central assistance released to Maharashtra Government is higher than the Notional Allocation.

(b) and (c) Due to budgetary constraints, it has not been possible to meet the full demand of the State Governments as well as demand for reimbursement of funds for previous years under the scheme.
