**Irrigation projects pending in the absence of
environment and forest clearance**

1658. SHRI RAMA CHANDRA KHUNTIA: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

- (a) the number of irrigation projects that have been pending in the absence of environment and forest clearance, the State-wise detailed list thereof;
- (b) the land area of these irrigation projects; and
- (c) whether State Governments have made special request to clear these projects, if so, the details thereof?

THE MINISTER OF ENVIRONMENT AND FORESTS (SHRI M. VEERAPPA MOILY): (a) to (c) Irrigation projects covering more than 10,000 hectare (ha.) or higher irrigable command area and with potential to cause submergence require environment clearance from Union Government, In addition, irrigation projects with proximity to National Park/Sanctuary, Biosphere Reserve and/or projects situated within 10 Kms. of inter-State boundary also require similar environment clearance. These proposals are processed for environment clearance as per the provisions stipulated under the Environment Impact Assessment Notification, 2006 and as amended from time to time. The proposals for forest clearance are dealt with as per the provisions stipulated

under the Forest (Conservation) Act, 1980 and the rules and regulations framed thereunder.

A State-wise list of irrigation projects awaiting environment and forest clearances is given in Statement.
