

**Setting up of Railway Medical College in  
Mysore, Karnataka**

\*415. SHRI RAJEEV CHANDRASEKHAR: Will the Minister of RAILWAYS be pleased to state:

(a) whether the work regarding setting up of a Railway Medical College in Mysore, Karnataka has commenced, if not, the reasons therefor; and

(b) the time by when it would be established?

THE MINISTER OF RAILWAYS (SHRI MALLIKARJUN KHARGE): (a) No, Sir.

(b) To begin with, five locations viz. Chennai, Secunderabad, Guwahati, Lucknow and Kharagpur where Medical Council of India norms with respect to hospital's bed strength, land etc., are more or less being met, have been identified under Phase-I. M/s RITES has been awarded with the work of consultancy for these five locations. Other locations including Mysore shall be considered based on the experience of Phase-I locations. The setting up of Medical Colleges was announced as a Public-Private-Partnership (PPP) with Railway providing requisite land. Since this is a case of PPP, the process includes finding right private partner fulfilling all the criteria and the project getting clearance from various agencies like Medical Council of India (MCI) etc. and hence no definite time can be given at this juncture.

**Internet connectivity to Gram Sabhas**

†\*416. SHRI MAHENDRA SINGH MAHRA: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether the Ministry has decided to provide internet connectivity to all Gram Sabhas of the country, if so, the manner in which the Ministry would determine the order of preference in respect of various States;

(b) the Gram Sabhas of how many States have been provided with internet connectivity, so far, the name-wise details thereof; and

(c) whether the Ministry would give preference to the North-Eastern States and Himalayan region of the country for the above-mentioned purpose, if not, the reasons therefor?

THE MINISTER OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (SHRI KAPIL SIBAL): (a) National Optical Fibre Network (NOFN) plans to connect

---

†Original notice of the question was received in Hindi.

all the Gram Panchayats through Optical Fibre Cable (OFC) and provide at least 100 Mbps bandwidth on sharing basis in all the estimated 2,50,000 Gram Panchayat (GPs) of India.

The Project will be implemented in three phases as follows:—

Phases	No. of GPs	Likely date of completion
Phase-I	100000	September, 2014
Phase-II	100000	March, 2015
Phase-III	50000	September, 2015

The details of phase-I are given in Statement-I (*See below*).

(b) Under NOFN Pilot Project 59 GPs were connected by 15.10.2012, in three blocks *viz.* Arain in Ajmer District (Rajasthan) Parvada in Visakhapatnam (Andhra Pradesh) and Panisagar (Tripura). Details are given in Statement-II (*See below*).

(c) All North Eastern States and Himalayan States are included in NOFN project and equal preference has been provided to these States in implementation.

#### ***Statement-I***

### Irregularities in award of BWA spectrum

\*417. SHRI PRABHAT JHA: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

- (a) the details of companies which were 140 awarded Broadband Wireless Access (BWA) spectrum in the country during 2010, circle-wise;
- (b) the details of revenue generated from BWA spectrum allocation during 2010;
- (c) whether CAG has pointed out serious irregularities in award of BWA spectrum to private companies and subsequent spectrum trading by these companies which resulted in loss of thousands of crore of rupees, if so, the details thereof and the response of Government thereto; and
- (d) the corrective measures Government would take in this regard?

THE MINISTER OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (SHRI KAPIL SIBAL): (a) Details of the companies which were awarded Broadband Wireless Access Spectrum (BWA) during 2010, in the country, Circle-wise are given in Statement-I (*See* below).

(b) Total revenue of Rs. 25,695.54 crores was received from all successful bidders of the auction held during year 2010. Further, BSNL and MTNL were allotted BWA spectrum in the year 2008 and were required to pay the winning price achieved through auction in the respective service areas. Accordingly revenue of Rs. 12,847.77 crores was received from BSNL and MTNL in the year 2010 after completion of auction of BWA spectrum apart from the successful bidders as given in Statement-I (*See* below).

(c) and (d) No, Sir. CAG has not pointed out serious irregularities in award of BWA spectrum to private companies and subsequent spectrum trading by these companies.
