Electoral Photo Identity Cards

2534. SHRI TARUN VIJAY: Will the Minister of LAW and JUSTICE be pleased to state:

(a) the details of the States in which 100 per cent Electoral Photo Identity Card (EPIC) coverage has been achieved; and

(b) the reasons for not achieving 100 per cent EPIC coverage in other States and the steps taken by Government in this regard?

THE MINISTER OF LAW AND JUSTICE (SHRI RAVI SHANKAR PRASAD):

(a) A Statement showing latest data reflecting State-wise coverage of Electoral Photo Identity Card (EPIC), as provided by the Election Commission is given in the Statement (*See below*).

(b) The Election Commission has intimated that the process of issuing EPIC is a continuous exercise; names of new eligible electors are added every year and those of the persons who have shifted or died have to be deleted. Further, on account of migration of persons from one place to another, changes in EPIC need to be carried out based on their applications. Further, it has been the Election Commission's endeavour to achieve the target of 100% EPIC- coverage and the Commission is making every possible effort to issue Elector Photo Identity Cards (EPICs) to all residual electors as expeditiously as possible. Efforts are constantly being made by the Election Commission of India to issue error free EPICs to all the electors. Some of them are as follows:

- (i) Before revision of electoral rolls is announced, pre-revision activities are undertaken in all the States/Union Territories. Pre-revision activities include the collection of photographs from and issue of EPICs to all the residual electors.
- (ii) From time to time Chief Electoral Officers of the States/Union Territories are asked for issue of EPICs to residual electors.
- (iii) Immediately after final publication of the electoral rolls, States/Union Territories are asked to distribute EPICs to new electors as well as residual electors to whom EPICs have not been issued.
