†Original notice of the question was received in Hindi.

The State-wise details of funding and implementation of CCTNS are given in the Statement (*See below*) and the Annexure respectively. [*See Appendix 232 Annexure No. 13*]

(b) and (c) Yes Sir, the project has encountered delays which can be attributed to (i) considerable delay in signing of the System Integrator (SI) contract at State/UT level, (ii) considerable delay in completion of the existing IT infrastructure and network initiatives such as SWAN (State Wide Area Network), SDC (State Data Centre), NSDG (National Service Delivery Gateway) etc., under NeGP scheme, (iii) the Core Application Software (CAS) of CCTNS project should have been completed for initiation of rollout in the year 2009-2010 as envisaged in the Cabinet Committee on Economic Affairs (CCEA) note. However, the Software Development Agency (SDA) at the Central level was selected only by June 2010 after a bid process which started in August 2009. The certified CAS has been released to States/UTs on 19th November, 2013.
