Modernization of airports in Telangana and Andhra Pradesh

934. SHRI GARIKAPATI MOHAN RAO: Will the Minister of CIVIL AVIATION be pleased to state:

- (a) the status of development, upgradation and modernization plan undertaken for the airports in the country;
- (b) the names of such airports selected in the States of Telangana and Andhra Pradesh; and
- (c) the funds allocated and the time frame fixed for the proposed development of airports in Telangana and Andhra Pradesh?

THE MINISTER OF STATE IN THE MINISTRY OF CIVIL AVIATION (DR. MAHESH SHARMA): (a) Development of airports is a continuous process and is undertaken by Airports Authority of India (AAI) from time to time depending upon commercial viability, traffic potential/demand, technical feasibility, availability of land, etc. Details of major development, upgradation and modernization works for AAI managed airports in the country are given in Statement (*See* below).

(b) Airports at Tirupati, Vijayawada and Rajahmundry Airports in Andhra Pradesh are identified by the Airports Authority of India. In Telangana, the airport at Shamshabad was commissioned in 2008 with international standards and world class facilities.

(c) The project for construction of terminal building at Tirupati Airport has been undertaken by Airports Authority of India (AAI) at a cost of ₹ 174.08 crores by 100% budgetary support from Government of India. Fund outlay is considered on case to case basis depending on socio-economic considerations, finalization of project costs etc.
