THE MINISTER OF STATE OF THE MINISTRY OF POWER (SHRI PIYUSH GOYAL): (a) and (b) Energy Efficiency Services Limited (EESL), a Joint Venture company of 4 Public Sector Undertakings (PSUs) *viz*. National Thermal Power Corporation (NTPC), Power Grid Corporation of India Limited (PGCIL), Rural Electrification Corporation Limited (REC) and Power Finance Corporation Limited (PFC) of Ministry of Power is implementing Domestic Efficient Lighting Programme (DELP) where 77 crore incandescent bulbs in the country will be replaced by high quality LED bulbs which will be provided to the domestic consumers. 94.11 lakh LED bulbs in 20 cities of Andhra Pradesh, Puducherry, Maharashtra, Rajasthan, U.P. and Delhi have been distributed to domestic consumers.

- (c) No, Sir.
- (d) The programme is being implemented in rural areas also.

## **T&D** losses

- 2321. SHRI AHMED PATEL: Will the Minister of POWER be pleased to state:
- (a) the revenue losses incurred in the transmission and distribution (T&D) of power during each of the last three years and the current year, State-wise;
  - (b) the steps taken to check the said losses; and
  - (c) the total accumulated losses of power companies, State-wise and PSU-wise?

THE MINISTER OF STATE OF THE MINISTRY OF POWER (SHRI PIYUSH GOYAL): (a) T&D losses as a measure of grid losses were replaced with AT&C losses for better clarity. T&D losses together with loss in revenue collection give us Aggregate Technical and Commercial (AT&C) losses. The details indicating the percentage of AT&C losses from 2011-12 to 2013-14 in various States is given in the Statement-I (*See* below). Audited details for 2014-15 are not yet available from the States.

- (b) The responsibility of reduction of AT&C losses in the Distribution network is primarily with the Discoms and power departments/utilities. However, to facilitate the reduction of AT&C losses and to improve power distribution system, the Government has launched various programmes/schemes *i.e.* DDUGJY, IPDS, FRP, NEF etc. Details of the schemes are given in the Statement-II (*See* below).
- (c) The accumulated losses as per balance sheet for utilities selling directly to consumers as on 31st March, 2014 is ₹ 3,18,345 crore. Utility-wise and State-wise details are given in the Statement-III.

Statement-I

Statement-II

Various programmes/schemes launched by Government of India to improve power distribution system

**Deendayal Upadhyaya Gram Jyoti Yojana (DDUGJY):** The Government has approved the Scheme of "Deendayal Upadhyaya Gram Jyoti Yojana (DDUGJY)" with following components:

- (i) to separate agriculture and non-agriculture feeders facilitating judicious supply of electricity to agricultural and non-agricultural consumers in rural areas; and
- (ii) Strengthening and augmentation of sub transmission and distribution infrastructure in rural areas, including metering of distribution transformers/feeders/consumers.

The ongoing scheme of RGGVY in Twelfth and Thirteenth Plans is subsumed in DDUGJY as a distinct component for rural electrification, for which Government has already approved to carry forward the balance amount of RGGVY to DDUGJY.

**Integrated Power Development Scheme (IPDS):** The Government has approved the Integrated Power Development Scheme(IPDS) with the objectives of:

- (i) Strengthening of sub-transmission and distribution network in the urban areas;
- (ii) Metering of distribution transformers/feeders/consumers in the urban areas.
- (iii) IT enablement of distribution sector and strengthening of distribution network as per CCEA approval dated 21.06.2013 for completion of targets laid down under Restructured Accelerated Power Development and Reforms Programme (RAPDRP), which is now subsumed under IPDS, for Twelfth and Thirteenth Plans by carrying forward the approved outlay for RAPDRP to IPDS.

The scheme will help in reduction in AT&C losses, establishment of IT enabled energy accounting/auditing system, improvement in billed energy based on metered consumption and improvement in collection efficiency.

The Financial Restructuring Plan (FRP): The Financial Restructuring Plan (FRP) of State owned Discoms was approved and notified by the Central Government in October 2012, to enable financial turnaround of State Discoms. The Scheme for Financial Restructuring of State Owned Discoms was formulated and approved by the Government keeping in view the declining operational performance and financial health of State Discoms and to ensure their long term viability, which have accumulated huge losses and unsustainable debt. The scheme contains measures to be taken by the State Discoms and State Government for achieving financial turnaround by restructuring their debt with support through a Transitional Finance Mechanism by Central Government. Under FRP, the amount considered eligible under the scheme is ₹ 1,19,000 crs. approximately. Bonds worth ₹ 56,908 cr. approximately have been issued and Short Term Loan (STL) amounting to ₹ 51,204 Cr. approximately have been restructured by the lenders.

National Electricity Fund (NEF): Government of India launched the National Electricity Fund (Interest Subsidy Scheme) in July 2012 to provide Interest Subsidy on loans raised by both public and private distribution companies (DISCOMS), for capital works sanctioned by financial institutions to improve the infrastructure in distribution sector during the financial year 2012-13 and 2013-14. Under National Electricity Fund, interest subsidy aggregating to ₹ 8,466 cr. spread over 14 years is available. Projects sanctioned are worth ₹ 26,000 cr. approximately. The preconditions for eligibility are linked to reform measures taken by the States and the amount of Interest Subsidy is linked to the progress achieved in reforms linked parameters.

Statement-III Accumulated losses for utilities selling directly to consumers

## Outstandings of State Electricity Boards

-1,91,132 -2,54,153

2322. SHRI V. P. SINGH BADNORE: Will the Minister of POWER be pleased to state:

- (a) what are the outstandings of various SEBs in the country and to whom along with the details regarding power purchase outstandings; and
- (b) what are the reasons for the outstandings and how are they going to be contained along with the details of various bailout packages?

THE MINISTER OF STATE OF THE MINISTRY OF POWER (SHRI PIYUSH GOYAL): (a) The "Outstanding dues of various State power utilities in the country" towards PSUs as on 30th June, 2015 is ₹ 20336.72 crore. Details are given in the Statement (*See* below).

- (b) Broadly, the reasons for outstanding dues of SEBs are due to:
- High AT&C losses affecting the financial health of State Electricity Boards in a distressed state;
- The high losses affect revenue, which have resulted in lack of funds for repayment of loan, payment of creditors for power purchase, interest charges etc.; and
- The fallout of the poor financial status of the SEBs is that, it has become
  increasingly difficult for the Discoms to service their debts.
