

Forest land area diverted for development projects

2756. SHRI K.K. RAGESH: Will the Minister of ENVIRONMENT, FOREST AND CLIMATE CHANGE be pleased to state:

- (a) the total area of forest land, in hectares, diverted for various development projects during the last five years State-wise;
- (b) the efforts taken by the Compensatory Afforestation Fund Management and Planning Authority (CAMPA) to do compensatory afforestation during the last five years;
- (c) the total area of land, in hectares, in which compensatory afforestation has been done during the last five years, State-wise; and
- (d) the details of the fund allocated and expended by the Centre for the last five years for compensatory afforestation, State-wise?

THE MINISTER OF STATE OF THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE (SHRI PRAKASH JAVADEKAR): (a) During last five years and current year, the Central Government has accorded approvals over 1,84,393 ha. of forest land in 7,716 cases for various developmental activities including developmental activities in urban areas. State-wise details of approvals granted by the Central Government for use of forest land for such activities is given in the Statement-I (*See* below). Forest areas for such activities are approved by the Central Government under Section 2 (ii) of the Forest (conservation) Act, 1980 with adequate environmental safeguards and afforestation measures in lieu of forest land proposed to be utilized for developmental activities. In general, private project proponents give equivalent non-forest land and it is transferred and mutated as forest land. During the last two years and current year an area of about 78,301 ha. has been prescribed for compensatory afforestation as part of environmental safeguards.

(b) to (d) In terms of the State CAMPA Guidelines as approved by the Hon'ble Supreme Court of India in IA No. 2143 in Writ Petition (Civil) No.202/1995 titled T. N. Godavarman Thirumalpad Vs UOI, Annual Plans of Operation for undertaking various forestry related activities from out of the funds deposited in the Compensatory Afforestation Fund/CAMPA account, are furnished by the States/UTs. The Annual Plans of Operation also include not only activities for compensatory afforestation in lieu of forest land diverted for non-forestry use under the provisions of the Forest (Conservation) Act 1980, but also for assisted natural regeneration and regeneration of degraded forests, in addition to other activities for conservation and protection of forests and wildlife. The details of funds released to the CAMPA constituted in terms of the above Guidelines, to various States/UTs in the years 2010-11 to 2014-15 are given in the Statement-II (*See* below). The details of compensatory afforestation done in the 21 States/UTs in respect of which information has become available, is given in the Statement-III.

Statement-I

State-wise details of area approved under the Forest (Conservation) Act, 1980 by the Central Government for various developmental activities during the last five years i.e. 2010 to 2014 and current year.
