

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI MOHANBHAI KALYANJIBHAI KUNDARIYA): (a) and (b) The Scheme "Soil Health Card" has been launched for implementation during the Twelfth Plan with an outlay of ₹ 568.54 crore. Under the scheme, Soil Health Cards will be provided to all farmers in the country at an interval of 3 years so as to enable the farmers to apply appropriate recommended dosages of nutrients for crop production and improving soil health and its fertility. Objectives of Scheme Soil Health Card are as follows:

- (i) To issue Soil Health Cards every 3 years, to all farmers of the country, so as to provide a basis to address nutrient deficiencies in fertilization practices.
- (ii) To strengthen functioning of Soil Testing Laboratories (STLs) through capacity building, involvement of agriculture students and effective linkage with Indian Council of Agricultural Research (ICAR)/State Agricultural Universities (SAUs).
- (iii) To diagnose soil fertility related constraints with standardized procedures for sampling uniformly across States and analysis and design taluqa/block level fertilizer recommendations in targeted districts.
- (iv) To develop and promote soil test based nutrient management in the districts for enhancing nutrient use efficiency.
- (v) To build capacities of district and State level staff and of progressive farmers for promotion of nutrient management practices.

Action plan to face drought situation

†493. MIR MOHAMMAD FAYAZ:

SHRI NAZIR AHMED LAWAY:

Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government has/had formulated any action plan to face the drought situation, if so, the details thereof; and
