

(c) the corrective measures taken/proposed by Government to ensure adequate medical facilities for the patients suffering from diseases caused by air pollution?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRI JAGAT PRAKASH NADDA): (a) to (c) While air pollution is known to be one of the aggravating factors for many respiratory ailments, specific information on the number of cases and deaths due to air pollution is not available.

Government has taken various measures to control environmental pollution including tightening of vehicular and industrial norms, promotion of cleaner technologies, strengthening of network of air quality monitoring stations, promoting public awareness etc.

Health is a State subject and it is primarily the responsibility of the State Governments for providing healthcare for the patients including for those suffering from respiratory and other ailments. The Central Government, however, supplements the efforts of the State Governments. Provisions for health system strengthening are made under the National Health Mission (NHM). Various schemes are also being implemented for strengthening the Tertiary Health Care facilities.

Government of India also provides medical facilities for patients through Central Government Hospitals/Institutions in different parts of the country such as All India Institute of Medical Sciences (AIIMS) Delhi, Safdarjung Hospital Delhi, Dr. Ram Manohar Lohia Hospital Delhi, PGIMER Chandigarh, JIPMER Puducherry, RIMS Imphal, NEIGRIHMS Shillong, NITRD Delhi, among others.
