

Convention was signed in 2004, to strengthen it by criminalising the provision, collection or acquisition of funds for the purpose of committing terrorist acts and taking further measures to prevent and suppress financing of such acts. On 28 July, 2016, India and Bangladesh signed an Agreement to amend Article 10 (3) of the bilateral extradition treaty to facilitate expeditious extradition of fugitive criminals between the two countries.

Negotiations for an extradition treaty between India and Afghanistan are in the final stages. It is the policy of the Government to conclude extradition treaties with as many countries as possible so as to ensure that fugitive criminals do not escape justice.

(b) if so, the details thereof along with the details of the number of cases of intrusion by Chinese army and scuffle reported during the last two years, year-wise and State-wise;

(c) whether Ministry has taken up the matter of scuffle in Arunachal Pradesh with Chinese Government; and

(d) if so, the details thereof and response of China thereto, if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI M. J. AKBAR): (a) to (d) There is no commonly delineated Line of Actual Control (LAC) in the border areas between India and China. From time to time, on account of differences in the perception of the LAC, situations have arisen on the ground that could have been avoided if we had a common perception of LAC. Government regularly takes up transgression along LAC with the Chinese side through established mechanisms including border personnel meetings, flag meetings, meetings of Working Mechanism for Consultation and Coordination on India-China Border Affairs and diplomatic channels. The two sides have reiterated, on many occasions, their commitment to maintain peace and tranquility along the Line of Actual Control in the India-China border areas, pending a final settlement of the boundary question.
