THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI SRIPRAKASH JAISWAL): (a) Two suicide attacks were carried out by terrorists during the last three months (June to Aug 10) this year. The details are as under

Date	Place	Target	Outfit	Security forces		Civilians		Terrorists	
				Killed	Injured	Killed	Injured	Killed	Injured
27.07 04	Hotel Lee Ward near Nehru Park Dallake Srinagar	CRPF	Al-Mansoorian	05	02	—	—	02(FM)	—
04 08.04	Feroz Manzil Rajbagh	CRPF	-do-	09	08	—	—	01	—

(b) and (c) Analysis indicates that most of the suicide attacks are being carried out by Foreign Mercenaries (FM) dominated terrorist outfits bases across the border. Suicide attacks on security forces posts/establishment are known facets of the *modus operandi* of terrorists. The timing and place of occurrence of such attacks as well as ever changing hideouts have inbuilt element of surprise and, therefore, cannot always be anticipated. Security measures for countering suicide attacks have been enhanced to meet effectively similar eventualities in the future.

Government have called upon Pakistan to put an end to cross-border infiltration and permanently dismantle the infrastructure of support to terrorism in that country

President Musharraf of Pakistan had in the Joint Press Statement of January 6, 2004 reassured that he would not permit any territory under Pakistan's control to be used to support terrorism in any manner. However, Pakistan has so far not taken any credible steps to dismantle the infrastructure of support to terrorism in that country on a permanent basis. Our concerns about the continuing existence of infrastructure of support to terrorism were made known to Pakistan during the Foreign Secretary

level talks held in New Delhi on June 27-28, 2004 and again during the Home Secretary level talks with Pakistan held in Islamabad on August 10-11, 2004.

Besides diplomatic efforts, Government, Jointly with the State Government, have adopted a multi-pronged approach, to contain cross-border infiltration particularly in J & K, which includes, *inter-alia*, strengthening of border management and multi-tiered and multi-modal deployment along the International Border/LoC and near the ever changing infiltration routes, construction of Border fencing, improved technology, weapons and equipment for security forces, improved intelligence and operational coordination and synergising intelligence flow to check infiltration, as well as coordinated counter terrorism measures. The counter infiltration efforts are reviewed from time to time.
