

The Government has launched several schemes to achieve this target. Details are given in the Statement.

Statement

Schemes under Solar Power Programme

- (i) Scheme for Development of Solar Parks and Ultra Mega Solar Power Projects.
- (ii) Scheme for Development of Solar PV Power Plants on Canal Banks/ Canal Tops.
- (iii) Scheme for setting up 300 MW of Grid connected Solar PV Power Projects by Defence Establishments under Ministry of Defence and Para Military Forces with Viability Gap Funding.
- (iv) Implementation of scheme of setting up 1000 MW of Grid-Connected Solar PV Power Projects by Central Public Sector, Undertakings with Viability Gap Funding.
- (v) Implementation of Scheme for setting up of 3000 MW of Grid connected Solar PV Power Projects by bundling with thermal power.
- (vi) Setting up of 2000 MW Grid connected solar power with Viability Gap Funding.
- (vii) Setting up of 5000 MW Grid connected solar power with Viability Gap Funding.

Subsidy for integrated solar manufacturing units

751. DR. PRABHAKAR KORE: Will the Minister of NEW AND RENEWABLE ENERGY be pleased to state:

- (a) whether it is a fact that Government proposes to create a fund for distribution/ subsidy to encourage companies to set up integrated solar manufacturing units in the country;
- (b) if so, the details of proposals and the time-frame for its implementation;
- (c) whether Government has revised the target of National Solar Mission; and

(d) what would be the contribution through grid connected solar rooftop systems to the target of NSM?

THE MINISTER OF STATE OF THE MINISTRY OF NEW AND RENEWABLE ENERGY (SHRI PIYUSH GOYAL): (a) and (b) There is no proposal at present for creating a separate fund for distribution of subsidy to encourage companies to set up integrated solar manufacturing units in the country. However, there are schemes like Special Incentive Package Scheme (M-SIPS), concessions in customs and excise duties, Domestic Content Requirement (DCR) in few tenders of solar power to support domestic manufacturers and Government is committed to continue support to manufacturing.

(c) Yes, Sir. Government has revised the target from 20 GW to 100 GW grid connected solar power capacity addition by 2022.

(d) The revised target of 100 GW solar power capacity addition includes deployment of 40 GW of Rooftop Solar projects in the country. The actual contribution may vary depending on the response from the rooftop owners and beneficiaries.

Plans of solar energy

†752. DR. SANJAY SINH: Will the Minister of NEW AND RENEWABLE ENERGY be pleased to state:

(a) the details of plans made by Government to generate solar energy in various States including Uttar Pradesh and Assam;

(b) the details of plans being implemented by Government in this regard, State-wise;

(c) whether Government has provided any financial assistance to the State Governments for implementation of these schemes; and

(d) if so, the details thereof and the results achieved therefrom, State-wise?

THE MINISTER OF STATE OF THE MINISTRY OF NEW AND RENEWABLE ENERGY (SHRI PIYUSH GOYAL): (a) and (b) The Government has launched several schemes as given below for generating solar energy in the country including Uttar Pradesh and Assam:
