Statement

Details of funds allotted and released to Nagaland under Sarva Shiksha Abhiyan during 2003-04 and 2004-05

Government of India releases Central assistance under Sarva Shiksha Abhiyan to State SSA Society which, in turn, releases funds to the districts. In 2003-04, the approved annual plan outlay for Sarva Shiksha Abhiyan for Nagaland was Rs. 2951.50 lakhs. However, the State did not release its share in 2002-03, and had an unspent balance of Rs. 863.52 lakhs as on 31st March, 2003. It was, therefore, decided that central assistance for 2003-04 would be released only after State share has been released. Intimation regarding release of state share was received only in March, 2004, whereafter Government of India, released Rs. 971.96 lakhs on 18.5.2004.
