3043. SHRIMATI SASIKALA PUSHPA: Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) whether Indian service companies are facing many difficulties including increase in visa processing fee and high rejection rates in obtaining H-1B Visa;

(b) if so, the details thereof;

(c) whether Government took any appropriate steps to remove the difficulties in getting H-1B Visa; and

(d) if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF COMMERCE AND INDUSTRY (SHRIMATI NIRMALA SITHARAMAN): (a) and (b) Yes, Sir. On December 18, 2015, the United States (US) President signed into law the 2016 Omnibus Spending Bill (Public Law 114-113) which doubled the supplemental visa fees for L-1 and H-1B visas for a period of 10 years for companies employing 50 or more employees in the United States, 50% of which are on L-1 and H-1B visas (50:50 rule). With this legislation in place, 50:50 companies would now need to pay an enhanced fee of \$4,500 for each L-1 visa and \$4000 for each H-1B visa, as compared to \$2,250 and \$2000 previously. Also, as informed by the NASSCOM, visa rejection, especially for L-1B application from India are high.

(c) and (d) Yes, Sir. The Government of India continues to engage the US Administration for better access of its professionals in the US. H-1B and L-1 visa issues, including increase in visa processing fees, high rejection rates and other difficulties faced by the Indian services companies, have been raised with the US Government at various levels including the Strategic and Commercial Dialogue in August 2016 and the Trade Policy Forum in October, 2016. India has also taken up the matter on US visa fee hike in the Dispute Settlement Body of the World Trade Organisation (WTO).
