

Ministry of Environment, Forests and Climate Change had been earlier implementing two separate programmes, namely National Wetland Conservation Programme (NWCP) and National Lake Conservation Plan (NLCP) for conservation and management of identified lakes and wetlands in the country. To have better synergy and avoid overlap, both the programmes have been merged in February, 2013 into an integrated scheme of National Plan for Conservation of Aquatic Eco-systems (NPCA). NPCA aims at holistic conservation and restoration of wetlands and lakes for achieving the desired water quality enhancement, besides improvement in biodiversity and eco-systems through an integrated and multi-disciplinary approach and a common regulatory framework. Under the NPCA scheme assistance is provided for conserving lakes and wetlands, on cost sharing basis between the Central and the State Governments. The various activities covered under the scheme include interception, diversion and treatment of waste water, shore line protection, lake front development, de-silting, bio-remediation, catchment area treatment, lake beautification, survey and demarcation, bio-fencing, fisheries development, weed control, biodiversity conservation, education and awareness creation and community participation, etc.

Government of India has formulated the National Water Policy in 2012 in which several recommendations for conservation, development and management of water resources in the country have been made. National Water Policy, 2012 has *inter-alia* suggested that:

- Conservation of rivers, river corridors, water bodies and infrastructure should be undertaken in a scientifically planned manner through community participation.
- Source of water and water bodies should not be allowed to get polluted. System of third party periodic inspection should be evolved and stringent actions to be taken against the persons responsible for pollution.

Under Namami Gange, 81 projects have been taken for sewage treatment infrastructure on the banks of River Ganga. 14 of these projects have been completed. In addition, CPCB carries out extensive monitoring of Grossly Polluting Industries, to ensure their effluents meet the CPCB norms.

Forest based Projects

* 161. SHRI RAMKUMAR VERMA: Will the Minister of ENVIRONMENT, FOREST AND CLIMATE CHANGE be pleased to state:

(a) the details of the forest based projects approved by the Central Government during the last three years;

(b) whether any project has been pending since long, including those of Rajasthan, and if so, the details thereof and the reasons therefor; and

(c) the steps taken by Government to expedite the clearance of these pending projects?

THE MINISTER OF ENVIRONMENT, FOREST AND CLIMATE CHANGE (DR. HARSH VARDHAN): (a) The proposals for forest clearances under the provisions of the Forest (Conservation) Act, 1980, for diversion of forest lands, for non-forestry use are considered in the Ministry and is accorded in two stages i.e. Stage I/In principle approval which mandates conditions to be complied with for the issue of the subsequent Stage II/Final approval which is the prior approval of the Central Government. The State/UT then issues an order for diversion of forest land on receipt of this prior approval of the Central Government. A total of 2196 proposals have been accorded Stage I/In principle approval by the Central Government during the period 2014-2017. The details are given in Statement-I (*See below*). During the same period *i.e.* 2014-2017 a total of 944 Stage II/Final approvals were accorded by the Central Government. Details are given in Statement-II (*See below*).

(b) and (c) At present a total of 357 cases are pending for prior approval of the Central Government under the provisions of the Forest (Conservation) Act, 1980 including in the State of Rajasthan. Details of proposals received in the said period, in the Ministry and yet to be accorded prior approval are given in Statement-III (*See below*). The receipt and process of proposals for projects involving diversion of forest land are a dynamic process and the proposals are considered and granted prior approval based on the provision of requisite information and completeness of the proposals by the States/UTs and many a times proposals are found to be incomplete or lacking in information or the complete compliances of conditions laid down in the Stage-I/In principle approval are not received from the States/UTs which requires further correspondences. However all efforts are made to ensure that proposals are decided upon in a timely manner, allowing for necessary scrutiny and consideration as per the provisions of the Forest (Conservation) Act, 1980. The Forest Advisory Committee (FAC) and Regional Empowered Committee (REC) meetings are held every month and complete proposals are considered for the approval of the Central Government subject to the compliance of conditions mandated.

Statement-I

Proposals accorded Stage-I approval by Ministry under Forest (Conservation) Act, 1980 from the financial year 2014-2015 to 2016-2017

Sl. No.	State	Proposal Name	Category	Area Diverted (in ha.)	Stage I Date	Status
1	2	3	4	5	6	7
1	Andhra Pradesh	Diversion of 67.85 Ha. of Forest Land in Mallappakonda and Betrayaswamy RF of Chittoor (West) Division for setting up of 48.75 MW wind power project.	Wind Power	67.85	18-Nov-14	Stage-I approval accorded
2	Andhra Pradesh	Proposal for diversion of 1.774 Ha. in Perikivalasa RF I & II at Kakinada Division at East Godavari District, Providing B.T. Surface to the road from Gurthedu to Gummirevula, Y. Ramavaram (Upper) Mandal.	Road	1.774	22-Mar-16	Stage-I approval accorded
3	Andhra Pradesh	Proposal for Diversion of forest land 2.285 Ha. in Penkavalasa RF, Kakinada Division at East-godavari Dist.t, Providing B.T. Surface to the road form Kadarikota Junction to Boddagandi, Y. Ramavaram (Upper) Mandal.	Road	2.285	22-Mar-16	Stage-I approval accorded

4	Andhra Pradesh	Diversion of 0.525 Ha. forest land in chandrayunipalli (V), Bukkapatnam (M), Ananthapur District for Construction of 100 KL G.L.B.R. Pipe line construction and approach road (near Mudigubba to Bukkapatnam road).	Drinking Water	0.525	17-Sep-14	Stage-I approval accorded
5	Andhra Pradesh	Mines and Quarries- Grant of Quarry lease for Black Granite over an extent of 4.00 Ha. in Comp.No. 216 & 205 of Paradarami R.F and Ragimanupenta R.F Village, Yadamarri and Bangarupalem Mandal Chittoor District- Application filed by M/s Sri Jyotheeswaram Granites.	Mining	3.69	01-Jun-15	Stage-I approval accorded
6	Andhra Pradesh	Diversion of 154.42 Ha.(381.61 Acres) of forest land in Sy. No. 636 & 674 of Gullalamoda Village, Nagayalanka Mandal, Krishna District to set up a Test Facility on the Sea Shore of Bay of Bengal, Technical Facilities by Defence Research and Development Organization (DRDO).	Defence	154.42	01-May-17	Stage-I approval accorded
7	Andhra Pradesh	Diversion of 4.25 Ha. of forest land in Ananthapur Forest Division for formation of BT Road from Bukkapatnam -Nallamada Village - Amagondapalem.	Road	4.25	16-Feb-17	Stage-I approval accorded
