**Planning of Dholera as modern industrial hub under DMIC**

850. DR. K.V.P. RAMACHANDRA RAO: Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) whether it is a fact that Central Government is planning Dholera of Gujarat as modern industrial hub as part of Delhi-Mumbai Industrial Corridor (DMIC);

(b) what will be the Central Government's investment in the proposed project across various Ministries; and

(c) what are investment options available in the proposed project?

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY): (a) Yes Sir.

(b) and (c) Government of India has approved an amount of ₹ 3000 crore for the

development of Dholera industrial node under DMIC project. As regards investment options, investors can participate in this project as developer/co-developer, as Joint Venture Partner or set up manufacturing/business units.

**Finalisation of National Artificial Intelligence Mission**

851. SHRIMATI KANIMOZHI: Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) whether Government has finalized the National Artificial Intelligence Mission as per Task Force recommendation, if so, the details thereof;

(b) whether Government has identified the domains to examine how Artificial Intelligence (AI) can be used to bring economic change in the current scenario; and

(c) if so, the details thereof along with the manner in which it is likely to function?

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY): (a) to (c) A Task Force on Artificial Intelligence (AI) for India's Economic Transformation was constituted on 24th August, 2017. The Task force gave its report on 19th January, 2018. The Task force has *inter alia* recommended an Inter-Ministerial National Artificial Intelligence Mission to act as a nodal agency for coordinating AI related activities in India. The recommendations of the Task Force have been shared with various Ministries/Departments of the Government.

In the meeting of Committee of Secretaries held on 8th February, 2018, NITI Aayog has been tasked with formulation of a National Strategy Plan for AI in consultation with Ministries/Departments concerned, academia and private sector.

NITI Aayog has prepared and placed on its website on 04.06.2018 a discussion paper on National Strategy on Artificial Intelligence identifying following five sectors to focus upon:

- (i) Healthcare,
- (ii) Agriculture,
- (iii) Education,
- (iv) Smart Cities and Infrastructure,
- (v) Smart Mobility and Transportation.
