

- (iii) Review the effectiveness of arrangements made by HCoI for Haj pilgrims' accommodation and air travel including issues related with Haj subsidy.
- (iv) Examine the effectiveness of inter-relationship and coordination in the functioning of Haj Committee of India and CGI.
- (v) Examine the aspects of transparency, consumer satisfaction and disclosure requirements for PTOs to protect interest of the Haj Pilgrims with a view to make the new policy of greater assistance to the pilgrims.
- (vi) Suggest measure for ensuring fair competition among PTOs and enhanced value for services provided by them.
- (vii) Suggest the framework for new Haj policy for HCoI and PTOs.
- (viii) Examine any other issue relevant to Haj policy for HCoI and PTOs.

(c) and (d) Yes, Sir. The Committee has *inter alia* recommended that ladies above 45 years of age, who wish to go for Haj but who do not have a Mehram (male companion) and their school of thought permits, would be allowed to travel in groups of 4 or more ladies. Other recommendations of the Haj Policy Review Committee (HPRC) are wide ranging and relate to Haj policies as well as for improvement in the overall Haj management. The text of the recommendations of the Committee is available on the website of the Ministry (www.minorityaffairs.gov.in) and Haj Division (www.haj.gov.in).

(e) The subsidy given by the Government of India for making arrangements of air travel for Haj pilgrims going through the Haj Committee of India is reflected in the budget of Ministry of Civil Aviation, which is the nodal Ministry in this regard. The Supreme Court in its judgment dated 08.05.2012, *inter alia* observed that Haj subsidy is something that is best done away with and directed the central Government to progressively reduce the amount of subsidy so as to completely eliminate it within a period of 10 years. Accordingly, Haj subsidy has been gradually reduced since the year 2013 and it has been decided to discontinue it from Haj 2018.

Development of solar cities

467. SHRI DEREK O'BRIEN: Will the Minister of NEW AND RENEWABLE ENERGY be pleased to state:

- (a) the status of the sanctioned proposals for the development of solar cities in the country and the details thereof;
- (b) the proposed Model and Pilot Solar Cities in the country and the details and locations thereof;
- (c) the funds approved by the Ministry so far for the development of solar city programmes and the details thereof; and

(d) how many sanctions have been given by the Ministry for the upgradation of campuses to Green Campus and development of New Green Campus in the country and details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF NEW AND RENEWABLE ENERGY (SHRI RAJ KUMAR SINGH): (a) and (b) The Ministry of New and Renewable Energy under its scheme Development of Solar Cities has approved/sanctioned 60 Cities including 13 Pilot and 5 Model Cities upto Twelfth Five year Plan period. The State/UT-wise details of all 60 Solar Cities are given in Statement-I (*See below*). The Master Plans of 49 Solar Cities have been prepared. The Stakeholders Committees have been constituted in 21 Cities and Solar City Cells have been created in 37 Solar Cities. Solar PV projects with aggregate capacity of 8069.16 kWp and Solar Water Heating System with aggregate capacity of 7894 meter square collector area have been sanctioned under the programme.

(c) The State/UT-wise details of funds approved/sanctioned and released so far under Development of Solar Cities Programme are given in Statement-II (*See below*).

(d) The Ministry of New and Renewable Energy has accorded sanction for preparation of Master Plan for development of 52 Green Campus as detailed in Statement-III (*See below*) upto Twelfth Five Year Plan period. The Ministry provides Central Financial support upto ₹ 5.0 lakh for preparing Master Plan for development of green campus in the educational institutions, office complexes, residential and commercial complexes etc. An amount of ₹ 2.59 crore has been sanctioned and an amount of ₹ 1.02 crore has been released upto 31st January, 2018 for this purpose.

Statement-I

State-wise names of approved solar cities (including Pilot and Model)

Sl. No.	States/UTs	Approved Solar Cities (including Pilot and Model)		
		Cities	Pilot	Model
1	2	3	4	5
1.	Andhra Pradesh	Kakinada Narsapur Town	Vijayawada	-
