Upgradation of railway stations

†2533. SHRI SANJAY RAUT: Will the Minister of RAILWAYS be pleased to state:

- (a) the number of railway stations upgraded in the last two years and the current financial year;
- (b) whether Railways have received any proposal from various States, including Maharashtra, in this regard, if so, the details thereof, State-wise;
- (c) whether Government has formulated any Special Purpose Vehicle to monitor the work of upgradation of these railway stations; and
- (d) if so, the details of progress of the above project and the likely time-limit for upgradation of these stations?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI RAJEN GOHAIN): (a) Presently, Railway stations are upgraded under 'Adarsh' Station Scheme. 104 Railway stations have been developed under this scheme as per norms during the last two years and the current financial year so far.

(b) While no such proposal for upgradation of stations has been received from any State Government during the last two years and the current financial year, however, the State Government of Odisha has agreed to construct a new station building at Bhubaneswar at their own cost with the co-operation of Ministry of Railways.

(c) No, Sir.

(d) Does not arise.
