

IHD and decreased by 23.7% for cerebrovascular diseases from 1990 to 2016. The mean per centage change in Disability Adjusted Life Years (DALYs) for IHD was 104.1% and for stroke was 52.9%.

(b) As per Global Disease Burden Study, the number of people with diabetes in India has increased from 26 million in 1990 to 65 million in 2016.

(c) and (d) The largest disease burden or DALY rate increase from 1990 to 2016 was observed for diabetes, at 80%, and IHD, at 34%. The rate of change of burden for IHDs and diabetes was highest in States which are less developed, are at lower Epidemiological Transition Level (ETL) and have higher burden of chronic obstructive pulmonary disease.

The crude death rate for cardiovascular diseases (CVDs) increased in both sexes from 1990 to 2016 in all ETL state groups. Though, the prevalence rates increased in all states, the age-standardised DALY rate of IHD increased by 15.4% in the low ETL state group and decreased in the high ETL state group by 9.8%.

The crude death rate due to diabetes increased in India from 1990 to 2016 by 131%. The crude DALY rate of diabetes increased across all ETL state groups from 1990 to 2016. The increase in the age-standardised DALY rate since 1990 was generally the highest in states with a relatively low DALY rate in 1990. The highest changes exceeding 60% was in the states of Chhattisgarh, Uttar Pradesh, and Madhya Pradesh in the low ETL group.

Lack of proper infrastructure at CIP, Ranchi

†2189. SHRI SAMIR ORAON: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that problems are being faced in proper treatment of patients suffering from mental illness due to lack of doctors, medical wards, security personnel and other resources in Central Institute of Psychiatry (CIP) Hospital in the city of Ranchi in Jharkhand;

(b) if so, whether any step is being taken for providing the resources for this eminent institute which has completed its one hundred years; and

(c) whether any plan is under consideration for developing it as a centre for excellence in view of its glorious history of providing services?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI ANUPRIYA PATEL): (a) and (b) Due to the ever increasing patient load for treatment at Central Institute of Psychiatry (CIP), Ranchi, there has been pressure on the existing infrastructure including manpower and facilities. In order to address these problems, the Government and CIP, Ranchi, from time to time, take appropriate actions on continuous basis for recruitment of human resources of all cadres, up-gradation of existing facilities and addition of new facilities as per the requirement of the Institute. Some of the steps taken by the Government for redevelopment of the Institute are installation of state of art 3 Tesla fMRI system, comprehensive infrastructural development including renovation of wards and construction of 90 quarters, Notification of Recruitment Rules for 40 categories of posts, etc.

Adequate funds are allocated for development and functioning of the Institute. The details of funds allocated to the Institute during the last three (03) years are given as under:—

Year	Budget allocated
2015-16	₹ 85.15 crore
2016-17	₹ 92.50 crore
2017-18	₹ 101.19 crore
