

Status of cottage industry

1194. SHRI K. C. RAMAMURTHY: Will the Minister of MICRO, SMALL AND MEDIUM ENTERPRISES be pleased to state:

- (a) whether it is a fact that there is no definition of cottage industry;
- (b) how, in the absence of a clear definition, Government is helping the cottage industry;
- (c) whether there are any broad guidelines to help cottage industry; and
- (d) if so, the details thereof and the status of cottage industries in the country, with particular reference to Karnataka?

THE MINISTER OF STATE OF THE MINISTRY OF MICRO, SMALL AND MEDIUM ENTERPRISES (SHRI GIRIRAJ SINGH): (a) Yes, Sir.

(b) to (d) 'Cottage Industry' has not been defined under the Khadi and Village Industries Commission Act, 1956. However, the broad contours of 'Cottage Industry' is covered under the 'Village Industry' vertical of the Khadi and Village Industries Commission (KVIC).

The Village Industries under purview of KVIC are broadly classified under seven groups for the purpose of implementation of its programmes which are as follows:—

1. **Agro Based and Food Processing Industry (ABFPI)** includes industries viz. Pulses and Cereals Processing Industry, Gur and Khandsari Industry, Palmgur Industry, Fruit and Vegetable Processing Industry, Village Oil Industry, etc.
2. **Forest Based Industry (FBI)** includes industries viz. Medicinal Plants Industry, Beekeeping Industry, Minor Forest Based Industries, etc.
3. **Handmade Paper and Fibre Industry (HMPFI)** includes industries viz. Handmade Paper Industry, Fibre Industry, etc.
4. **Mineral Based Industry (MBI)** includes industries viz. Pottery, Lime, Plaster of Paris products, Stone Crushing and Carving etc.
5. **Polymer and Chemical Based Industry (PCBI)** includes industries viz. Leather Industry, Non-edible Oil and Soap Industry, Detergent Powder, Candle making, Cottage Match Industry, Plastic Industry, etc.

6. **Rural Engineering and Bio-Technology Industry (REBTI)** includes industries viz. Non-Conventional Energy, Bio-gas plants, Carpentry and Black smithy, Electronics, etc.
7. **Service and Textile Industry (STI)** includes industries viz. Electronic and Electrical devise repairing, Machine repairing, Plumbing and other servicing works, Sweater Hosiery, Band aid cloth and other textile products etc.

Most of the activities of these village industries sub-sectors can be covered under the activities taken under cottage industries.

It may be seen under Prime Minister's Employment Generation Programme (PMEGP), enterprises are created every year for which Margin Money subsidy is provided. Large part of the village industries come under the PMEGP.

PMEGP is a credit linked subsidy scheme, for setting up of new micro-enterprises and to generate employment opportunities in rural as well as urban areas of the country through KVIC, State Khadi and Village Industries Board (KVIB) and District Industries Centre (DIC). General category beneficiaries can avail of margin money subsidy of 25% of the project cost in rural areas and 15% in urban areas. For beneficiaries belonging to special categories such as SC/ST/Women/PH/Minorities/Ex-Servicemen/NER, the margin money subsidy is 35% in rural areas and 25% in urban areas. The maximum cost of projects is ₹25 lakh in the manufacturing sector and ₹10 lakh in the service sector.

State-wise details of margin money allocated and utilised, job opportunities created and number of units set up under PMEGP Scheme in the country, including the State of Karnataka, during the last three years and current year is given in Statement-I (See below).

Coir Vikas Yojana is being implemented by Coir Board to cater to the multiple developmental needs of coir industry. Interventions under the following components of the Scheme are taken up during the period from 2017-18 to 2019-20.

1. One of the components under this scheme is Market Development Assistance (MDA) which provides assistance to Coir Units through State Governments for the development of coir industry and improve the marketing of coir products. An assistance of 10% of average sales during the preceding 3 years is provided to the Coir Units.
2. Skill Upgradation and Mahila Coir Yojana (MCY): Development of skilled manpower in coir industry in different facets of coir production and processing through appropriate training programmes, seminars, workshops, awareness programmes, exposure visits etc. is the major objective under Skill Upgradation

and Mahila Coir Yojana (MCY). Only trainings to the unemployed women will be provided under Mahila Coir Yojana. EDP, National Seminar, Awareness programme, Workshop, Exposure Tour may also be provided under Mahila Coir Yojana. The financial assistance for procurement of equipments/ machineries may be obtained under the PMEGP scheme by the trained women for setting up coir units. Priority will be given to the trained women under PMEGP. Under skill upgradation and Mahila Coir Yojana honorarium shall be kept as ₹ 15,000/-p.m. for trainer and ₹3000/- p.m. for trainee subject to the norms of NSQF compliance.

In addition to the above, Ministry of MSME is implementing the Scheme of Fund for Regeneration of Traditional Industries (SFURTI) for making Traditional Industries more productive and competitive by organizing the Traditional Industries and artisans into clusters. The Scheme envisages providing need-based assistance for replacement of production equipment, setting up of Common Facility Centres (CFC), product development, quality improvement, improved marketing, training and capacity building etc. Ministry has approved 127 clusters, out of which 111 are functional as on date. The scheme has been appraised and approved for continuation during 2018-19 and 2019-20, for which ₹350 crore has been sanctioned.

Details of the number of SFURTI clusters sanctioned to the various States across the country, including the State of Karnataka, since 12th Plan period till 21.01.2019 is given in Statement-II.

Statement-I

State-wise details of margin money allocated and utilised, job opportunities created and number of units set up under PMEGs scheme in the country, including the State of Karnataka during last three years and current year

Agro-based industries included in MSMEs

1195. DR. L. HANUMANTHAI AH: Will the Minister of MICRO, SMALL AND MEDIUM ENTERPRISES be pleased to state:

(a) whether it is a fact that agro-based industries, except farming, have been included in the Micro, Small and Medium Enterprises (MSMEs);

(b) if so, the details thereof;

(c) what is the total number of agro-based industries set up in the country during the last three years, the year-wise details thereof; and

(d) what is the amount of financial assistance given to the said industries in the form of subsidies, the details thereof for the last three years?

THE MINISTER OF STATE OF THE MINISTRY OF MICRO, SMALL AND MEDIUM ENTERPRISES (SHRI GIRIRAJ SINGH): (a) Yes, Sir.

(b) The Agro-based Food Processing Industry is one of the major sectors of village industries under the purview of KVIC. It has significant linkages with agriculture and its allied activities. All the post-harvesting activities like Pulses and Cereals Processing Industry, Gur and Khandsari Industry, Palmgur Industry, Fruit and Vegetable Processing Industry, Village Oil Industry, etc. comes under the purview of KVI Sector.

Ministry of MSME is implementing Prime Minister's Employment Generation Programme (PMEGP), which is a major credit-linked subsidy programme aimed at
