(c) the sector-wise break-up of the number of projects financed under the scheme;

(d) why there is a delay in sanctioning of loans under the scheme; and

(e) what steps have been taken to address the delays?

THE MINISTER OF STATE OF THE MINISTRY OF MICRO, SMALL AND MEDIUM ENTERPRISES (SHRI GIRIRAJ SINGH): (a) State wise number of projects/entrepreneurs set up under Prime Minister's Employment Generation Programme (PMEGP) and Margin Money disbursed from the year 2015-16 to 2017-18 are given in Statement-I (See below).

(b) State-wise percentage of projects by women entrepreneurs, SC/ST, minorities and physically handicapped under Prime Minister's Employment Generation Programme (PMEGP) from the year 2015-16 to 2017-18 are given in Statement-II (See below).

(c) Industry Group-wise break-up of the number of projects financed under Prime Minister's Employment Generation Programme (PMEGP) from the year 2015-16 to 2017-18 are given in Statement-III (A), (B) and (C) (See below).

(d) and (e) In order to streamline the process of application flow and fund flow and to bring in transparency and better financial management and to prevent parking of funds at Nodal bank level, an online PMEGP-MIS web portal has been introduced. All applications and fund flow are processed online in stipulated time-frame.

The loan application under PMEGP is examined and processed at District Level Task Force Committee (DLTFC). Applications recommended by the DLTFC are forwarded to the banks. Banks are empowered to take their own credit decision on the basis of viability of each project for sanction of the loan under PMEGP.

The DLTFC has to clear the application within 45 days. In case of delay at DLTFC level, banks can take-up the application directly. As per the instruction of RBI, banks are mandated to sanction Micro Sector loans within 30 days from the date of receipt of loan application. However, in order to have satisfactory examination, banks often take more than 30 days to process an application.
