### **Alarming flood situation in Assam**

SHRI RIPUN BORA (Assam): Sir, through you, I would like to draw the attention of the hon. Union Minister to the flood situation in Assam. Sir, to combat the havoc caused by floods in the State of Assam, which is going on for the last ten days, a team of experts from the Centre should immediately be rushed to Assam to guide and help the Assam Government. One responsible Union Minister must also go there to take stock of the situation. Sir, for the last two years, the Calamity Relief Fund and the Disaster Management Fund due to the Assam Government have not been released by the Central Government. So, my demand is that the funds should immediately be released to the State Government.

Sir, the floods have become a regular phenomenon and we have to face this problem every year. So, it should be declared as a national problem. Sir, the Brahmaputra River originates from China, goes to Tibet and Bangladesh. As this River goes to three different countries, the Assam Government does not have that much capacity to deal with the flood problem, which has become a recurring problem.

Therefore, my suggestion to the Union Government is that the flood situation in Assam should be declared as a national problem.

SHRIMATI WANSUK SYIEM (Meghalaya): Sir, I associate myself with the matter raised by the hon. Member.

MR. CHAIRMAN: Thank you. Now, Shri Birendra Prasad Baishya to associate with this matter. ...*(Interruptions)*... दोनों सदस्य एक ही प्रदेश से हैं, वहां स्थिति गंभीर है, इसलिए उनको मौका दिया। उन्होंने पहले मुझे लिख कर भी दिया है।

SHRI BIRENDRA PRASAD BAISHYA (Assam): Sir, the situation there is very critical. Today, twenty-eight Districts of Assam are facing heavy floods. Already nine people have lost their lives and many people are still missing. Sir, in Assam, everywhere there is water, water and only water but, there is scarcity of drinking water! People are crying even for a single drop of water. From its side, the Assam Government has provided all assistance, and, already, an amount of 100 crore of rupees has been spent on the relief work. Today, the situation is worse. Many parts of Assam are totally cut from the rest of the country. Railway and road communication is totally destroyed. Sir, through you, I am requesting the Government and the nation to look after the people of Assam at this critical juncture. And provide help to flood affected people. I would like to request the Government to declare flood problem a national problem of the country.

SHRI KAMAKHYA PRASAD TASA (Assam): Sir, I associate myself with the mention made by the hon. Member.

### **Selection process of judges of High Courts and Supreme Court**
