

was released to Telangana for the development of horticulture including establishment of cold storages in these States.

(c) (APEDA) promotes export of scheduled products and assists growers and producers through its various programmes to facilitate export of various agricultural products including fruits and vegetables. APEDA also assists in establishing pack houses as per requirements of importing countries to facilitate exports of fruits and vegetables.

APEDA has assisted in establishing 4 pack houses each in Telangana and Andhra Pradesh for export from these two States.

Tree-based farming in the country

3046. SHRI P. BHATTACHARYA:

DR. AMEE YAJNIK:

SHRI RAJMANI PATEL:

Will the Minister of AGRICULTURE AND FARMERS WELFARE be pleased to state:

(a) the steps Government is taking to promote sustainable livelihood through agriculture; and

(b) the number of schemes that have been devised by Government to popularize tree-based farming in the country?

THE MINISTER OF AGRICULTURE AND FARMERS WELFARE (SHRI NARENDRA SINGH TOMAR): (a) Agriculture is a State Subject. Government of India facilitates the State Governments through many Centrally Sponsored and Central Sector Schemes. Government has taken several steps to promote sustainable livelihood through implementing various agriculture schemes. A list of schemes being implemented by Department of Agriculture, Cooperation & Farmers Welfare is given in the Statement (*See below*).

(b) Government is promoting tree-based farming for maximizing farm returns and providing sustainable livelihood to farmers, which include:

(i) Sub-Mission on Agro-forestry was launched in 2016-17 to encourage tree plantation on farm land "Har Medh Par Ped", along with crops/ cropping

system. There is a provision for financial assistance for nursery development and plantation in farm land which will help the farmer get additional income and make their farming system more climate resilient and adaptive.

- (ii) National Mission on Oilseeds and Oil Palm (NMOOP), a sub component of National Food Security Mission supports plantation, maintenance and inter cropping with Tree Borne Oilseeds (TBOs) eg. Olive, Neem, Karanja, Mahua, etc.
- (iii) Restructured National Bamboo Mission (NBM) was launched in 2018-19 for development of complete value chain, including plantations in non-forest Government land and private farmers field and connecting growers to the market.
