Construction of lavatories to the houses under Indira Awaas Yojana

2218. SHRI T. G. VENKATESH: Will the Minister of RURAL DEVELOPMENT be pleased to state:

- (a) whether attention of Government is drawn to the matter of houses constructed under Indira Awaas Yojana (IA Y) scheme, if so, the details thereof;
- (b) the number of houses constructed so far and distributed to the poor;
- (c) whether it is a fact that proper lavatory system has not been provided in these houses, if so, the details thereof;
- (d) the amount sanctioned for IAY houses during 2019-20 in the State of Andhra Pradesh, the details thereof; and
- (e) the steps being taken by Government for providing lavatories to those houses, the details thereof?

THE MINISTER OF RURAL DEVELOPMENT (SHRI NARENDRA SINGH TOMAR): (a) to (e) The number of houses constructed under IAY, since 1985-86 till date, are 4.01 crore units. Under Indira Awaas Yojana (IAY) financial assistance was provided to eligible rural households for construction of a pucca house. There was also a provision for construction of toilets/lavatories for IAY houses in convergence with schemes implemented by Govt. of India and State Govt.

Indira Awas Yojana (IAY) has been restructured into Pradhan Mantri Awaas Yojana-Gramin (PMAY-G) w.e.f. 1st April, 2016 in accordance with Government's commitment to provide "Housing for All" by 2022. An eligible beneficiary is provided assistance of ₹ 12,000 for construction of toilets through convergence with Swachh Bharat Mission- Gramin (SBM-G), MGNREGS or any other dedicated source of funding.

No fund has been released under IAY scheme during 2019-20 to the State of Andhra Pradesh as it has been decided not to release any funds in advance for IAY houses to any States/UTs *w.e.f.* 01.04.2018.

The Government of India launched Swatch Bharat Mission-Gramin (SBM-G) to make rural India Open Defecation Free (ODF). State of Andhra Pradesh has been declared ODF as per Management Information System (MIS) of SBM-G Scheme.

Construction of roads under PMGSY using green technology

2219. PROF. M.V. RAJEEV GOWDA: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) the details of roads sanctioned, work-in-progress and completed using green technology under the Pradhan Mantri Gram Sadak Yojana (PMGSY), State-wise and year-wise for the last three years;

(b) the details of plastic waste used under PMGSY for construction of roads through green technology, including the quantity in kilogram terms;

(c) the details of cost of constructing roads through green and other new technologies, including but not limited to cold mix technology and plastic waste, in per kilometer terms; and

(d) whether Government plans to increase the use of these technologies, the details thereof?

THE MINISTER OF RURAL DEVELOPMENT (SHRI NARENDRA SINGH TOMAR): (a) The details of roads sanctioned, work-in-progress and completed, using green technology under the Pradhan Mantri Gram Sadak Yojana (PMGSY), State-wise and year-wise during the last three years are given in the Statement (*See* below).

(b) As reported by the State Governments, 13,370 Km of roads have been completed under PMGSY using 58,561 Kg (approximately) of Waste plastic.

(c) Ministry has not fixed any average cost for PMGSY works and the amount is sanctioned based on the specific Detailed Project Report (DPR) of each road prepared by the State Government after thorough examination of factors like terrain, type of soil, rainfall and traffic following the technical specifications laid down in Ministry of Rural
