THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI ANURAG SINGH THAKUR): (a) and (b) Full potential and economy in Kashmir regions could not be realized for the last 70 years as the people of Jammu and Kashmir have suffered from terrorist violence and separatism supported from across the border for the past many decades. On account of Article 35A and certain other constitutional

ambiguities, the people of this region were denied full rights enshrined in the Constitution of India and other benefits of various Central Laws that were being enjoyed by other citizens of the country.

After the declaration issued by the President under Article 370, based on the recommendation of the Parliament, and reorganization of the erstwhile State of Jammu and Kashmir into Union Territory of Jammu and Kashmir and Union Territory of Ladakh, all such aspects have been addressed.

Due to these recent decisions, certain precautionary measures taken initially have been substantially relaxed.

Under the ₹80,068 crores Prime Minister's package announced on 7th November, 2015, 63 major developmental projects in Road, Power, Health, Tourism, Agriculture, Horticulture, Skill Development sectors etc., are already under various stages of implementation.

In addition to the above steps, many flagship schemes of the Government of India including the individual beneficiary centric schemes are being proactively implemented by the Government. These steps are being continued in the UT of Jammu and Kashmir with a view that the economy of Jammu and Kashmir is able to realize its full potential like other parts of the country.
