

Five billion dollar fund for infrastructure development projects

953. PROF. ALKA BALRAM KSHATRIYA:
SHRIMATI SHOBHANA BHARTIA:

Will the Minister of FINANCE be pleased to state:

- (a) whether Indo-US forum has offered to set up a \$5 billion fund for infrastructure development projects in India provided it is run with minimum Government participation;
- (b) if so, whether Government have already received the proposal for structure of the fund;
- (c) if so, whether the agreement to device a mechanism to set up the fund was discussed;
- (d) if so, whether the modalities of the fund have been decided; and
- (e) if so, the details of the same?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PAWAN KUMAR BANSAL): (a) Indo-US Forum had recommended the setting up of a \$5 billion fund for infrastructure development in India. Infrastructure Development Finance Company Limited (IDFC), Citigroup Inc. (Citi), India Infrastructure Finance Company Limited (IIFCL) and Blackstone Group Holdings L.P. (together with its affiliates, (Blackstone) have launched such a fund.

(b) to (e) The structure of the fund has been spelt out and the modalities to set up the fund have been decided by the promoters. The plan is to deploy about US\$ 2 billion in equity capital and US\$ 3 billion in long term debt financing with maturities exceeding ten years. The equity fund of USD 2 billion would be raised in 2 tranches of USD 1 billion each, one after the other. IDFC, Citi and Blackstone will together invest US\$ 250 million. The IIFCL will invest a small portion. The balance is expected to come from reputable international investors as well as selected domestic institutional investors. The second equity fund of USD 1 billion would be raised subsequently. The equity financing program of US \$ 3 billion will be managed by IDFC and will be invested in greenfield, brownfield and operating projects primarily in roads, power, airports, ports, and industrial and commercial infrastructure.
