

Suicide by farmers

1313. SHRI SANJAY SINGH: Will the Minister of AGRICULTURE AND FARMERS WELFARE be pleased to state:

- (a) whether the Central Government is aware that between January 2019 to April 2019, over 800 farmers have committed suicide in the State of Maharashtra;
- (b) if so, the measures implemented by the State and Central Governments to tackle the issue of farmers' suicide in Maharashtra and other States; and
- (c) the details of the number of farmers' suicides in the country, since 2014, year-wise and State-wise?

THE MINISTER OF AGRICULTURE AND FARMERS WELFARE (SHRI NARENDRA SINGH TOMAR): (a) to (c) The National Crime Records Bureau (NCRB) under the Ministry of Home Affairs compiles and disseminates information on suicides in its publication titled 'Accidental Deaths and Suicides in India' (ADSI). These Reports on suicides upto 2016 are available on its website. State-wise and year-wise details of farmers suicide, including State of Maharashtra, as per ADSI Reports for the years 2014, 2015 and 2016 is given in the Statement-I (*See* below).

Agriculture being a State subject, the State Governments undertake implementation of programmes/schemes for the development of the sector. Government of India supplements the efforts of the State Governments through various schemes/programmes. The various schemes/programmes of the Government of India are meant for the welfare of farmers by increasing production and remunerative returns to farmers. A list of various interventions taken by the Government for the benefit of farmers is given in the Statement-II (*See* below). All these steps of the Government of India are for the welfare of the farmers of the country.

The Government had constituted an Inter-Ministerial Committee in 2016 to recommend a strategy for Doubling of Farmers' Income (DFI) by the year 2022. The DFI Committee submitted its report and thereafter the Government constituted an Empowered Body on 23.01.2019 for monitoring the implementation of the recommendation of the DFI Strategy.

Statement-I

*State-wise and year-wise details of Farmers suicide, including
State of Maharashtra for the year 2014-2016*

Statement-II

List of various intervention taken by the Government for the benefit of farmers

The strategy of the Government is to focus on farmers' welfare by making farming viable. The schemes of Department of Agriculture, Cooperation and Farmers Welfare focus on directly benefiting farmers through various interventions and schemes and include:-

- (i) Implementation of flagship scheme of distribution of Soil Health Cards to farmers so that the use of fertilizers can be rationalized.

- (ii) "Per drop more crop" initiative under which drip/sprinkler irrigation is being encouraged for optimal utilisation of water, reducing cost of inputs and increasing productivity.
- (iii) "Paramparagat Krishi Vikas Yojana (PKVY)" for promoting organic farming.
- (iv) Launch of e-NAM initiative to provide farmers an electronic transparent and competitive online trading platform.
- (v) With a view to provide better insurance coverage to crops for risk mitigation, a crop insurance scheme namely Pradhan Mantri Fasal Bima Yojana (PMFBY) was launched from Kharif 2016 season. This scheme provides insurance cover for all stages of the crop cycle including post-harvest risks in specified instances, with low premium contribution by farmers.
- (vi) Under "Har Medh Par Ped", agro forestry is being promoted for additional income. With the amendment of Indian Forest Act, 1927, Bamboo has been removed from the definition of trees. A restructured National Bamboo Mission has been launched in the year 2018 to promote bamboo plantation on non forest government as well as private land and emphasis on value addition, product development and markets.
- (vii) Giving a major boost for the farmer's income, the Government has approved the increase in the Minimum Support Price (MSPs) for all Kharif & Rabi crops for 2018-19 season at a level of at least 150 percent of the cost of production.
- (viii) Giving a major boost to the pro-farmer initiatives, the Government has approved a new Umbrella Scheme 'Pradhan Mantri Annadata Aay Sanrakshan Abhiyan (PM-AASHA)'. The Scheme is aimed at ensuring remunerative prices to the farmers for their produce as announced in the Union Budget for 2018. This is an unprecedented step taken by Govt. of India to protect the farmers' income which is expected to go a long way towards the welfare of farmers,
- (ix) Bee keeping has been promoted under Mission for Integrated Development of Horticulture (MIDH) to increase the productivity of crops through pollination and increase the honey production as an additional source of income of farmers.

- (x) Extending the reach of institutional credit to more and more farmers is priority area of the Government and to achieve this goal, the Government provides interest subvention of 3% on short-term crop loans up to ₹3.00 lakh. Presently, loan is available to farmers at an interest rate of 7% per annum, which gets reduced to 4% on prompt repayment.
- (xi) Government sets annual target for the flow of credit to the agriculture sector, Banks have been consistently surpassing the annual target. The current year's agriculture credit flow target has been set at ₹ 13.50 lakh crore.
- (xii) Further, under Interest Subvention Scheme 2018-19, in order to provide relief to the farmers on occurrence of natural calamities, the interest subvention of 2% shall continue to be available to banks for the first year on the restructured amount. In order to discourage distress sale by farmers and to encourage them to store their produce in warehouses against negotiable receipts, the benefit of interest subvention will be available to small and marginal farmers having Kisan Credit Card for a further period of upto six months post harvest on the same rate as available to crop loan.
- (xiii) The Government has approved for giving the facility of Kisan Credit Card (KCC) to the farmers practicing animal husbandry and fisheries related activities and has also decided to extend the Interest Subvention Facilities to such categories of farmers.
- (xiv) With a view to provide income support to all farmers' families across the country, to enable them to take care of expenses related to agriculture and allied activities as well as domestic needs, the Central Government started a new Central Sector Scheme, namely, the Pradhan Mantri Kisan Samman Nidhi (PM-KISAN). The scheme aims to provide a payment of ₹ 6000/- per year, in three 4-monthly installments of ₹ 2000/- to the farmers families, subject to certain exclusions relating to higher income groups.
- (xv) Further with a view to provide social security net for Small and Marginal Farmers (SMF) as they have minimal or no savings to provide for old age and to support them in the event of consequent loss of livelihood, the Government has decided to implement another new Central Sector Scheme for providing old age pension to these farmers. Under this Scheme, a

minimum fixed pension of ₹ 3000/- will be provided to the eligible small and marginal farmers, subject to certain exclusion clauses, on attaining the age of 60 years.

Agitation by farmers in Jammu and Kashmir

1314. SHRI SANJAY RAUT: Will the Minister of AGRICULTURE AND FARMERS WELFARE be pleased to state:

(a) whether farmers of Jammu and Kashmir are agitating for getting fair value and transportation for their premium crops such as apples, saffron, peaches and walnuts grown in the valley;

(b) if so, the details thereof; and

(c) the details of steps taken or proposed to be taken by Government for assuring farmers fair value for their premium crops, which reaches all parts of the country by involving NABARD?

THE MINISTER OF AGRICULTURE AND FARMERS WELFARE (SHRI NARENDRA SINGH TOMAR): (a) No such information has been reported.

(b) Does not arise.

(c) No scheme is envisaged involving NABARD, however, Government through Central Nodal Agency *i.e.* NAFED is procuring apples from willing apple growers in Jammu and Kashmir at remunerative prices fixed by Designated Price Committees, by exempting the provisions contained in the extant guidelines of Market Intervention Scheme as a one-time measure.

Unequal use of fertilizers and pesticides

1315. SHRI MANISH GUPTA: Will the Minister of AGRICULTURE AND FARMERS WELFARE be pleased to state:

(a) whether there is unequal use of fertilizers and pesticides in different parts of the country, if so, the details thereof;

(b) whether this unequal use of fertilizers and pesticides is due to any unavoidable skewed programming, if so, the details thereof; and
